History of the Class of 1925

We, the class of nineteen hundred twenty-five, entered Villisca High School one Monday morning the first of September, the year nineteen hundred twenty-one. Some were so anxious to get here, they came as early as eight o'clock, others were so afraid to come that they came a day or two, even a week late. When we had all collected, there were about sixty—sixty green and growing freshman, eyes and ears open. Some even went so far as to open their mouths. The boys were given the privilege to open their mouths even more one night after school when all upper-classmen ordered them to "line up, pull out their shirt tails and forward march." At that time, we had barrels at each corner of the square. The boys were ordered to sing solos at each corner of the square, standing on the barrels, and try out their wonderful voices. This initiation ended rather suddenly, though, as the Professor and School Board did not approve. Before long we were dubbed by the faculty as the most mischievous class in High School, an honor very untrue and unfair in our estimation.

As Sophomores, we were less green and had almost received our growth. We felt real big because we had passed the freshman stage and our Soph. boys were the first to initiate the freshman. This year started the athletic careers of Cropp and Means in football. I think this football team won one game that year so you see our stars were a great help. Cropp landed a position on the basketball team also. In class series, we tied the Seniors the first night and the second night they won by a score of eight to seven, after we had held the lead at the end of the first half. Near the end of the year, we had a big inter-class fight. All the boys came forth one noon wearing overalls and by the end of the day, there were pieces of overalls scattered all over town. They were ordered out to Butler's field to finish the battle and when they appeared at school the next day, all those who had been absent were given a vacation for two days. We went to Lewis for our annual class picnic. The election of Cropp as President of the Athletic Association was another honor bestowed upon our class.

The Junior year was a big year for us. We had three men on the football squad, Cropp, captain, Enarson, and Means and two men on basketball team, Cropp captain, and Enarson, Childs was elected manager of the Athletic Association. An all high school party was held at the armory before Christmas vacation, which was very successful. After this, we began work on the annual Junior-Senior banquet. Everyone in the class worked day and night to make it a success. Miss Cresap and Miss Larson were our class teachers and most of the credit should be given to them. The faculty awarded us an inter-class track and field meet for not having any class fights. We tied the class of '26 for first place. The last day of school was a very eventful day for us. We went to Creston for our class picnic and had a dandy time. The class sponsors treated us that evening to a picture show before coming home.

Our last and only year has been the best of all. We had four men on the very successful championship football team. They were Cropp, Enarson, Goldberry and Dunn. We feel proud of the fact that these four helped make it a championship team. The basketball team was also very successful. Cropp was again captain and Enarson played on the team. The team won the sectional tournament and Cropp was chosen as captain and center of the all tournament team. Our boys also won class series in basketball. Childs was again manager of the Athletic Association. The girls were represented on girls basketball teams.

J U N I O R S

KATHRYN WENDLING "Rufus"

Class President

Well Rufus, how's Sally this morning? It's too bad you couldn't keep on with basketball, you missed a good time at the Stanton Tournament. We missed your "Whoo Maude," etc.

**LEON LANDERS** "Mex"

Our illustrious Vice-President.

Not all the honors go to other members of the Landers family. We're looking for Mex to do great things in football next year.

**RUSSELL SHIFFER** "Pook"

He takes time from his studies to write and receive notes. Such scandal! My! My! We're sure he must have a good inspiration to make him such a good sportsman.

**MILDRED DOW** "Mil"

Mildred is a new addition to our force this year, hailing from Hamburg where her "papa" steered the "ship of knowledge." She has won her way into our hearts already.—Eh, what, Mike?

**CLEO WRIGHT** "Curly"

A little work, a little play.
A little laugh, so goes the day.

Cleo is past the age of making faces at the boys, she makes eyes at them now.

**KEITH JUMP** "Jumpie"

"Roses are red, LePage's Glue—

If you think you're the berries, I'm the Cat's Mew.—

That's all right, Keith. You're a fine editor, and can play leads in the operetta.

**GLEN ENARSON**

He's a gallant man who some day may be a heroine in the Follies. He takes his 90's and above as a matter of course.

**PRUDENCE ATWOOD** "Prue"

Not nearly as innocent as you might take her to be. She's a remarkable forward—and can use big words in speeches—in assembly.

VIL-HI-SCA

21

J U N I O R S

MARGARET HAUSEN**"Hausie"**

She's the girl who jumped out of a tenth story window hoping to come down plump. That's all right Hausie!

**ROY GREENFIELD****"Jack"**

All work and no play isn't likely to make Roy a dull boy. I guess we could say it visa-versa.

**ELDON FRAIM**

He's litte but he's mighty! Good things generally come in small packages. He comes to school to study and he's taking knowledge away with him.

**GLADYS GOURLEY**

Her smiles are the kind one would walk a mile for. We can also remember her golden curls.

**MARGARET COOPER****"Coop"**

She's all wool and a yard wide. She's a good help and a good friend to all—eh boys in Chem. Class?

**MERLE GOURLEY****"Mike"**

When Mike heard Mildred had a leading part in one of the plays he said, "If she's the heroine, let me be the hero!" That's all right Merle, we're for you.

**DALE PETERSON****"Pete"**

Say, Dale, you've gotta quit buyin' football tickets for a certain young damsel, in our school. We won't have it.

**JULIA JOHNSON****"Yulia"**

Julia is quiet. She says little but thinks a lot. But when she does say something it bound to mean a lot.

J U N I O R S

**ERMA EDWARDS****"Snitz"**

Just Blank. That All. So she says—But we think she has an abundance of ability, pep, and energy.

**CLIFFORD BREWSTER****"Brew"**

The possession of a pure (though simple) mind. He's trying to go insane (we wonder why.)

**BESSIE ROBERTS****"Bess"**

Bessie never wears pink dresses. We don't see why, but we guess that she has a strong sense of color schemes. Well, we'd shout!

**FLORENCE DIRRIM**

Yes, Alice I believe we should go to Stanton this P. M. I love to go there, its such a pretty drive.

We love beauty, too, Florence.

**GLEN BROWNLEE****"Brownlee"**

Sunday school parties are my speciality when there are four in a class.

**ADAH McCOY****"Sally"**

She's bothered by "a Flee," but still she's a strong advocator of Hart Schaffner and Marx coats. We can't understand! O, no!

**FANNY KNEPPER****"Fan"**

Fanny came to us from Nebraska. She is "jake" as a waitress and we all like her.

**CLARK BRANNAN****"Brannan"**

Freckles don't detract from any mental capacity. Not saying what's in the capacity.

VIL-HI-SCA

23

J U N I O R S

HOLLIS NORDYKE**"Hollie"**

He has a Senior girl and while he's waiting for her always sings to pass the time. We think he has a good weapon. Eh, What!

**HAZEL SHEPHERD****"Shep"**

She has a good time and a grin for everyone she meets. Her laugh can be heard anywhere.

**LONA CART****"Looney"**

One of our maidens from Morton Mills. She has two pals and they have three—!—all together three plus three equals six.

**FREDERICK SCHNATZ****"Fred"**

He's one of our country lads but you'd never know it by his actions. He says "why study, you can do that when there's nothing else to do."

**MAUDE DUNN****"Dick"**

Another of the three inseparable pals. She's a good peppy girl and one to rely upon.

**EDITH NOBLE**

We wonder when the "wedding bells" will chime! She's a good scout and we wish her luck in the future.

**WILLIS DEAN****"Willie"**

Studying is so fatiguing, it makes me tired. Anyway, I have to go work." Willie is a good chap to have around.

**THEOLA KERNEN**

She's quiet and neat, and she's won her way into our hearts. She was new to us this year, but we are rapidly getting acquainted.

24

VIL-HI-SCA

J U N I O R S

MINNIE COZAD

Minnie says the man she marries must be square, upright, and grand. We think she wants a piano instead of a man. "Number, please."—"All right."

CLARK FENGEL

"Poo"

That's all right "Poo, you just go ahead and go to Clarinda. We know she's a dandy girl."

WALTER CADY

"Goof"

Boy! I say what I mean and mean what I say, and there's no kidding about it! I'm the ladies' man.

DORIS KING

Doris says her stage name is going to be "Dodie Darrah." We don't know about the stage part of it, but the Darrah is all right.

JULIA SANDERS

Another of our Titian headed maidens. She has a sweet, demure smile, and has for her motto, "Studies first, then play."

HAROLD GOECKER

"Hal"

We often wonder if the Usher has anything to do with the prosperity of the Martin theatre? A good all-around man, we'd shout.

MAURICE MCGEE

"Pat"

Pat, certainly is some Irishman! You'll surely be some football star next year. "J. A." thinks you're pretty reckless slinging prunes, Pat.

BERTHA LINDBERG

We wonder (?) Is it to church she goes on a Sunday night (?)

We have always thought she was so very quiet and demure, but we fear we've been mistaken.

VIL-HI-SCA

25

J U N I O R S

CLAUDE RICHEY**"Richey"**

We always thought Richey was "Girl Shy," but we guess the little dark haired Sophomore has broken down the barrier into his heart.

**DOROTHY POWERS****"Charlie"**

Well, how's Spitz today? Sure was too bad about you "Charlie horse"—We missed our crack shot guard in the tournaments. But you never lose your humor, do you Zacharius?

**WILMA SHIPLEY****"Wimmie"**

Her main occupation is looking after "Pook"—and next she is center on the Girl's Basketball team.

**LYNN KING****"Dig"**

For though vanquished, he could argue still, 'specially on the subject of girl's basketball.

**EARL FINDLEY****"Findley"**

One of our country lads who likes the girls. He believes in looking before he leaps.

**FLORAL NARIGON**

She's our city belle. She hails from Nodaway, and often compares our school with Nodaway. Floral is liked by all who know her.

**SARAH LEWIS**

She's a nice country lass but she isn't as quiet as some folks think she is. You're a good scout, Sarah.

**LEONARD MOORE****"Squink"**

We wonder why Leonard wasn't hanging around when his folks read his report card. He surely takes the "cake" when it comes to talking.

26

VIL-HI-SCA

J U N I O R S

WILLIAM FREELAND "Bill"

He's a basketball fan and a cornet blower. He's particularly fond of light haired women, one especially.

**VADA HUSS** "Vadie"

She's fat, and the jolliest of the jolly! we wonder what the Corning side-center thought of our "Bouncer Betts."!

**MARY BENWARE** "Button"

"I'm a woman of my word, bejabers! I'm always willing to work,—when needed. I'd— She can even give a speech in pep-meetings, not!"

**EDITH MURPHY** "Murph"

Well! Well! We heard a couple visited New Market High School one day in March. Did they get yellow cards! We don't know

**LEONA GRAY**

We guess Leona isn't as quiet as she seems. We've never been to Guss, but we guess Leona knows it pretty well.

**FERN ROSS**

Another one of the additions to our class this year, contributed by Nodaway. Send us some more, Nodaway, if they are as quiet and studious as Fern.

**LAURA OLENIUS** "Laurie"

She's just moved to town this spring, but we've known her all our high school days. She is very good natured and has a smile for everyone.

**GEORGE APPLEQUIST** "Apple"

I'm a man of few words, but believe me, I can sell shoes.

VIL-HI-SCA

27

J U N I O R S

PAUL ANDERSON**"Ole"**

"Hello, you big black Swede! How goes everything on Third Avenue, 'Yep! You're wright!'"

**VERNA FENGEL****"Shorty"**

She swings a wicked arm in basketball, and she is a good dancer, too. In fact, "Shorty" is an all-around girl. She especially likes Stanton Tournaments.

**ADA UMPHRESS****"Iodine"**

Keep up the good work, Ada! We wonder whose stenographer you will be! Can never tell, now can we!"

**JOHN PALMQUIST****"Ab"**

Pull up your socks, Ab, the flood's over. Gee, but Ab can sling clothes around over at the laundry. He's a first class chink!

**WAYNE ROCK****"Pebble"**

"Take us for a ride, Pebble." "Aw, Gee girls! Gasoline costs money, doncha know! Eh, what!"

**HELEN ERICKSON****"Poodle"**

We're going to tell Peg on you Helen. We believe you're trying to flirt with Peanut. That's all right, you're a good ol' sport anyway.

**HENRY BENNETT****"Eggs"**

One of our most studious lads???? It's remarkable how some folks can be so bright.

**MARGARET KIRK**

We have heard Margaret isn't as quiet and unassuming as we had suspected her of being.

28

VIL-HI-SCA

J U N I O R S

**HAROLD COWELL****"Peanut"**

He's a Junior, but in spirit he's with the Senior gang. Peanut gets pretty mad at the teachers sometimes, but it doesn't last long, does it? He's a real sport, and is going to pilot our footgall team thru a successful season, next fall.

**VELMA PRATHER**

She's not one of the Villisca Hi School night Owls. She is a mighty good sport and has lots of pep.

**VIOLET EGGLESTON****"Vi"**

"Vi" is one of our country lasses who comes to school for the benefit received.

**IVAN CASE****"Skive"**

I'm bashful and shy, but when you get acquainted with me, you'll find I'm a regular sheik.

**ELWIN DAY****"Bill"**

You won't find Bill's picture here, for he couldn't wear a coat, collar and necktie long enuf to have one taken.

He's our star football man, and mascot of the basketball team. He has so many girls, he doesn't know which one he likes best.

History of the Class of '26

The Junior Class may be chiefly designated by the three words: Capacity, Originality, and Power. We are able to complete things which come to pass, doing material gains no other class has been known to do. This class has perfect system of function revolving around its president and sub-officers, employing as its goal, perfection. By our manners Villisca shall know us. We the Class of '26 give the other Classes of V. H. S. this hint to their duties, be wise and let us wear the crown of knowledge.

There is already a general acknowledgement of our capacity but due to the tedious actions of the brains of some of our inferiors this crown has been delayed. We do not wish to leave the feeling in the other classes that we are egotistic as we still have another year and desire to keep our supreme trust devine.

Since our entrance into dear old V. H. S. we have captured laurels one by one, first in sports, first in learning, and first in the hearts of our teachers.

Our date of entrance was the first Monday in September 1922. Disorder ran riot until about nine o'clock when everybody was composed like the calm after the abatement of a storm. The cause was easily observed when it was noticed that the freshmen, Class of '26, had taken shape and spirit in the north section of the assembly. The most striking expressions heard upon hat day were, "Do you see 'im?" and "Do tell!" and "Sure enough." From all this came cause sufficient to start the wheels rolling and we began the daily grind of going on forever.

A class builded on such a strong foundation cannot come to grief, so green and white were colors chosen by us and under the Woods-Peckham regime we began the early life of a Samson. Perhaps such vim accounts for the success of our sound functions, which included, "wienie" roasts, parties, and pleasure trips to neighboring towns.

Together with these good times and hard work we developed an athletic class having one of our members fullback on the football team, and also two on the basketball team, and the fastest sprinter on the track team, to boot.

The Sophomore year Samson developed into a mighty man, and we followed our start in the freshman year by more victories in track events, athletic contests, and general good time plus a little hard work.

Then in the present Junior year Samson is going his prime. And as a color change delights the eye we changed to black and white. The Juniors were awarded a banner given by the school for selling the greatest number of football tickets in an interclassic contest. We take a prize in having a member honored by position as forward on Southern Iowa basketball team and also a member taking second in Dramatics in Southwestern Iowa. All this, and other important distinctions intellectionally, build us into systematic class the most efficient, original, and beloved class in V. H. S.

RULES OF ETIQUETTE FOR JUNIORS BY SENIORS

1. Never ask permission to speak, the teachers prefer that you yell out your criticisms.
2. Never ask permission to borrow a book; take it; that is what they are for.
3. Never walk quietly in the halls; run. Pupils love to be disturbed.
4. Never prepare your lessons; it isn't good form.
5. Never hand a book to anyone, throw it; it saves time and causes more confusion.
6. Always loiter in the hallways; the teachers don't care.
7. Always take snap courses; hard subjects cause mental exertion.
8. Always cheat in examinations; it does you credit.
9. Always chew gum; it is good exercise.

Sophomore Class History

Like Caesar and his army of old, the class of '27 marched triumphantly into the Villisca High School on September 3, 1923. Though the army was terribly "green," the handicap was overcome by the able leadership of its president, the honorable Harold (Buggs) Carlson, bearing the royal banner of pink and green.

The class met its first defeat about an hour later at the hands of the allied Sophomores, Juniors, and Seniors. The initiation was restricted to the boys alone, they being the only ones capable of presenting a respectable shirt tail parade.

Immediately after the aforesaid parade took place, all the masculine persons in high school (except "Coach" and "Prof") participated in a half mile dash in which boards, lathes, and belts had a prominent part. After the running of the gauntlet, the boys returned to their new "Institution of Captivity" in a sorry plight.

After a few days of school, our leaders decided the class needed some overseers, and therefore Miss Malloch and Miss Reynolds were elected sponsors. This year the sponsorship has wisely been given to Mrs. Wieche and Miss Kurz.

The Juniors gave us a hard time masquerade party at Hallowe'en and surely there were plenty of preter-pluperfect costumes. Next came an all high school party, and at the proper date, a George Washington party, at which the freshmen entertained the Juniors.

Altho the Freshmen chapel was a last minute "make up," it was an unparalleled success, at least, we thought so. During the reading given by Elmer Froyd, the play "In the Usual Way" was presented by Doris Peterson and Donald Tomason, in which the rolling pin had a prominent part. Winifred Ewing's punishment of the piano had to take the place of an orchestra. We would have had one, but, sad to say, our one and only drummer-boy was afflicted with a tooth ache, so we had to omit that part. However, it was agony enough for the poor audience to see Boots Osborn as a pine tree and Doran Swan as a wide-spreading oak.

In our Sophomore year we had a Christmas party, a Sophomore-Senior affair, in which much welcomed Santa made a visit.

Our Sophomore class is well represented in the G. R. Cabinet by Velora Peterson and Florence Enarson.

We also furnish a large number of "warblers," for the Boys' and Girls' Glee Clubs.

There are two boys on the football team. Buggs Carlson plays on the first team and the class can well be proud of him. Lester Dickinson has the reputation of being "Old Faithful," so Captain Richey said, in working out during the year.

One of the High School yell leaders is a Sophomore, he being no other than Fredrick (Bus) McCoy.

And now, as the class of '27, we bid you adieu, and after a period of rest and recreation, we hope to return to old V. H. S. to receive the honored degree of "Juniors."

Freshman History

On September, first nineteen twenty-four, a group of seventy Freshmen, some jolly and gay, some scowling and frowning, and some both happy and scared, gathered at the high school.

When we entered the Assembly the upper Classes stared at us as if to say, "Isn't that a pretty bunch of green horns", but that was no comparison as to how we felt, for many of our green hearts were in our green mouths, but this was soon over.

After the dismissal of school the boys of the upper Classes ran us freshman boys out of the school door and they pulled our shirt tails out and ran us through the belt line and then made us march through the streets. This was all for fun and fun for all.

The next day we found ourselves divided into three Classes on account of the crowded condition in the Assembly..

We held our first Class meeting the twelfth of September and elected Leno Landers, President, Mildred Orr, Vice President. Florence Maxey, Sec'ty. and Treasurer; Donald King, Yell Leader, Miss Test and Miss Reynolds, Class Advisors.

Then the Football season opened and only two of our members received football honors. These were Orville Rains, and Leonard Butler (known as Jake), but watch us next year.

On November seventh, the Juniors gave a party in honor of the Freshmen. As this was our first real school party, we all appreciated it very much.

With the close of football season, the basketball season opened and we challenged the Juniors. The girls and boys met defeat, but the boys made a better score than the girls. It was 18 to 10. One of our men, is playing on the high school second team.

Christmas vacation was soon at hand, and then came final examinations. At this period we lost three of our members, and received one new one who is Lois Silas, making our total of sixty-eight.

Now we are preparing to give a party in honor of the Juniors.

Again, Again on September, seventh, nineteen twenty-five we shall enter our Sophomore year and start with even more school spirit than we have had this year.

VIL-HI-SCA

CLAUDE RICHEY

"Richey"

Fullback, Captain.

Captain Richey was a marked man in Southwestern Iowa football. Even then he was able to break away for his long runs, and his passing helped to win several games. Fortunately he will be with us one more year, and we expect to hear from him again.

COACH

Coach Wieche has been the "power behind the throne" in athletics at V. H. S. the last three years and has put Villisca on the map of Southwestern Iowa in Football and Basketball.

HAROLD COWELL

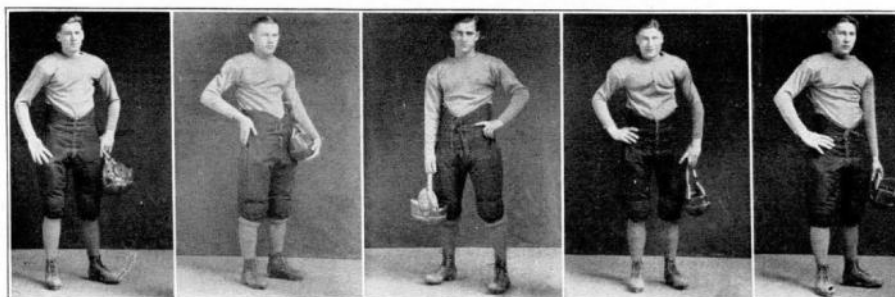

"Peanut"

Captain Elect for 1925 team

Peanut, Captain elect of next year's squad, is one of the best tackles and hardest fighters on the squad. He should be able to pilot the Blue and White team thru a very successful season next year, and should again get a berth on the All-Southwestern team.

VIL-HI-SCA

43

BYRON CROPP "PETE"

Rt. half

A third year man—"Pete" was a battering ram on the offense and always connected with his man on the defense. His fighting spirit and ability to analyze plays will be hard to replace in the Villisca squad next year.

HAROLD CARLSON "BUGS"

Left Half

"Bugs", keeping up with the family fight entered into the 1924 season with a punch equal to a young locomotive; especially was this true on the kickoff. He's going strong for two more seasons.

LYNN KING

Quarter

"Dig"—little but mighty. Was always a ground gainer on passes and end runs. Went though several times for touchdowns on the kickoff. He has one more year to play with the High School squad.

DONALD ENARSON "DON"

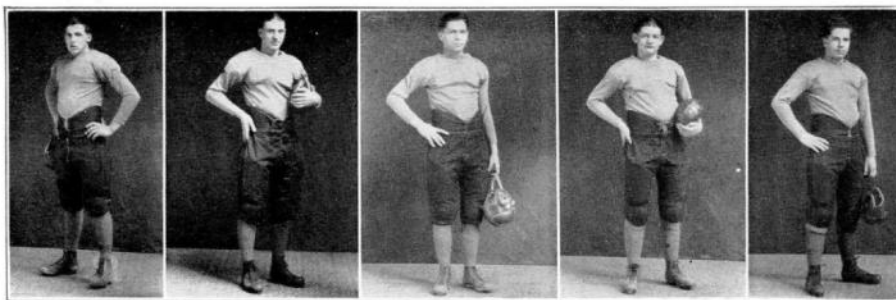

Rt. End

"Don" played center last year, but this year was shifted to end. Just good hard plugging in every game was his outstanding feature. This was his last season in High School football.

GLEN BROWNLEE

Left Tackle

"Brownlee", one of the hardest fighters on the squad, was always in the thick of the fray. His lust for battle was inexhaustible and will doubtless remain so for the next season.

**ELWIN DAY "BILL"****Left Guard**

Playing his second year at guard "Bill" showed the same ol' fight. The experience gained these two years should make him a good lineman for next season.

RUSSELL SHIFFER "PUK"**Left End**

"Puk" playing his second year was a "mean man" on the defense and a hard hitter on the offense. He has one more year, and promises to be good material for either line or back-field.

PAUL ANDERSON "OLE"**Center**

Not until the Clarinda game did "Ole" display real football ability, breaking through the line and blocking a punt in the last minute of the game winning for Villisca its first victory over the Red and Black team in eight seasons.

JOHN DUNN**Rt. Guard**

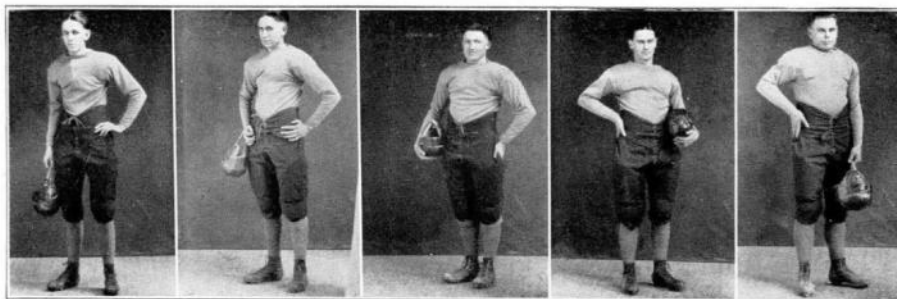

Possessing an abundance of weight John saw service on the blue and white team in several games. Always plowing through to his man, and considered a valuable lineman,

JUDD MEANS "CHUBBY"**Guard**

"Chubby", playing his third season was considered a valuable man at either guard position.

VIL-HI-SCA

45

MONROE GOLDSBERRY "IKE"

Center

Ike, an Avoca letter man, came to us this year. Starting the season with promise at center, he was early forced by injury to the bench the remainder of the season.

WILLIS DEAN "WILLIE"

Sub-Guard

A reliable second string who should improve considerably in the next year.

MERLE GOURLEY "MIKE"

Right Half

The fighting Irishman, although a sub, was there with a punch when needed.

MAURICE McGEE "PAT"

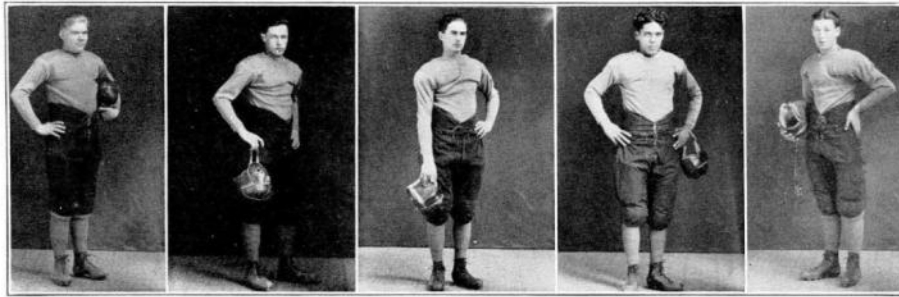

Sub Guard

Able to fill very capably the position of quarter back if called upon.

LEONARD BUTLER "JAKE"

Sub Guard

With his ideal build for a guard, he should develop into one of the best guards in Southwestern Iowa. He will be with us three more years.

**YALE WRIGHT "FAT"**

Sub tackle

A veteran of '22 returned to square up this year and showed plenty of fight throughout the season.

ORVILLE SHAVER "SHAKO"

Sub Left end

This season was the last for Shako who is a veteran of two campaigns. He was always on deck for practice and helped make it possible for scrimmages for regulars.

GLEN JACKSON

Sub tackle

Although he is but a one year man, he proved himself a good sub. Taking all the hard knocks and making our season a successful one.

LEON LANDERS "MEX"

End

Mex has plenty of punch and fight that will make him a valuable asset to next year's squad.

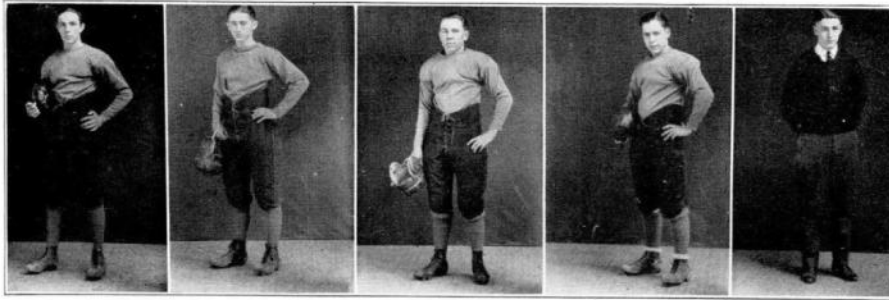

ORVILLE RAINS "RAZZ"

Sub tackle

You could count on Razz to do his best whenever he was called upon. On several occasions he filled Brownlee's place. If he comes up to expectations he should be a valuable man on the squad next year and should fill a regular position.

VIL-HI-SCA

47

**HENRY BENNETT "EGGS"****Sub Guard**

He is another of the subs who was out for practice every night and gave the first team plenty of opposition.

JOHN PALMQUIST "AB"**Sub Fullback**

Ab reached the height of his career when he crossed the goal line in the Bedford game.

LESTER DICKINSON "MUTT"**Sub Fullback**

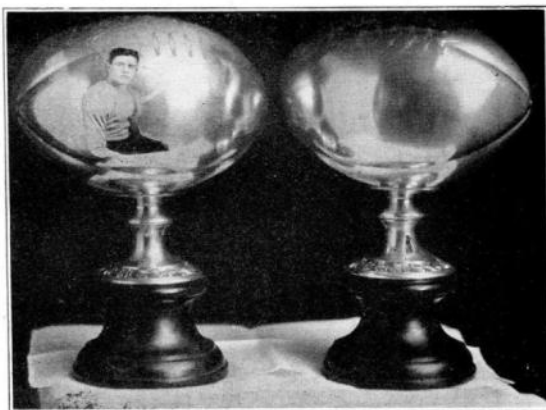

Coming out his second year for practice he will make a strong bid for a position on the regular team in his remaining two years.

JULIAN EBERHARD "SOCK"

Altho not a regular, Sock did his share in scrimmage to help develop the regulars, which is just as essential as being a regular.

AUSTIN CHILDS "AUK"**Manager**

On Auk's shoulder was placed the financial and managing burden of the team, which he handled in a very creditable manner.

VILLISCA-MALVERN 59-0

Villisca started the season off with a victory of a large margin. Malvern was an inexperienced team so the strength of our team could not be determined by this victory.

VILLISCA-SHENANDOAH 13-0

We divided the honors with Shen. last year but we ran off with them this year by a score of 13-0. The half ended 0-0 but Villisca took the lead in the third quarter and only once did she come near being scored on when one of Shen. men got loose, but King saved the day and got him.

VILLISCA-ESSEX 23-7

Essex was the first team of the season to score on Villisca, taking advantage of a fumble they sprinted for a touchdown.

VILLISCA-BLANCHARD 34-0

This was Blanchards first defeat for two years. It was said they weren't playing their old style football, but nevertheless plenty of fight was shown thru out the entire game.

VILLISCA-COLLEGE SPRINGS 13-0

This was their first defeat of the season and was a fierce and hard fought battle, but due to Villisca's superior team work we carried off the honors.

VILLISCA-BEDFORD 41-0

This was an easy victory for Villisca. Bedford was an inexperienced team which gave practically all our subs a chance to taste battle.

VILLISCA-CRESTON 1-0 (Forfeited to Villisca)

VILLISCA-CLARINDA 16-14

This game being the seventh game won, entitled us to the Roper trophy. Clarinda came up with the expectation of making good their old record of beating Villisca but this was the first time in eight years that Villisca walloped them. The game was not at a decision until the last whistle was blown Clarinda having lead in the score until the last two minutes.

VILLISCA-CORNING 27-14

Employing the usual team work that had carried them to victory through the season the Villisca team came through winners in the last game of the season and a large percent of the 1200 present on the side lines were blue and white supporters.

VIL-HI-SCA

49

**BYRON CROPP** Captain and Center

Cropp played a good game through all four years of high school basketball. He was captain of the team two years in succession. He made the all tournament team at the sectional tournament through his brilliant playing.

RUSSELL SHIFFER Forward

Shiffer playing his third year of high school basketball proved that he could be depended upon in any game no matter how fast the team was they were playing. He has one more year left to play and we know he will come across.

LYNN KING Forward

King playing his second year on the team proved to all concerned that he could play basketball. He is a good man and with one more year to play should come up to, and go past all his previous record.

DONALD ENARSON Running Guard

Enarson playing his last year for old V. H. S. don't need to think one minute that he did not do his share in making the season a success. He was one of the best running guards Villisca ever had.

CLAUDE RICHEY Standing Guard

Richey played a good game all season and though not spectacular was a consistent player. It is his third year on the team and with another year to play he should live up to all every one expects.

PAUL ANDERSON Center

Anderson was a man who could be depended upon and when he went into a game you could rest assured that no one was going to play rings around him. With one more year to play he should make a good man at center. He is only a little over six feet tall.

ORVILLE RAINS Forward

Rains never laid down either in scrimmage with the team or in a game. It was his first year in high school basketball and with another year he should improve and make a good player.

WILLIAM FREELAND Forward

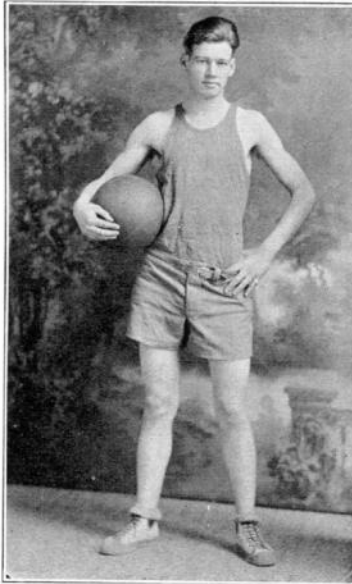

Freeland did his share in making the team a success. He is a hard player and when sent into games did his share. With another year left to play he should make a good man.

KENNETH BARNES Running Guard

Barnes a good running guard and should make a good man in his two remaining years of competition. He is a good hearted boy and he gave away his trousers on one occasion.

JOHN PALMQUIST Standing Guard

Palmquist in spite of his diminutive build put a stop to many a drive the highly touted first were putting down the floor.

When the call was sent out for basketball men about fifteen men reported and the makings of a good team was available. This squad was later cut to eleven men because the high school "gym" will not accommodate many more than that. These men worked together during the short practice period before the first game of the season with Stanton.

It might as well be said here and now that there was no one man on the team that was responsible for their victories. Every man fought, and that is why they won.

The second string that came out night after night for nothing at all but to take knocks from the first string, deserve more than they generally receive around any school.

Our first game was with Stanton at Stanton. This was no "snap" by any means, as Stanton had won over some good teams and were out to make a victory over Villisca. Well the boys, after a hard battle, won by a 27-25 score.

Our very good friends from Clarinda came up to play with us for forty minutes and they took all the pep out of the Villisca fans for, at the half they were leading 13-8 and going strong. Then the blue boys came back and fought Clarinda every step of the road and won the game, 23-19.

Soon after this game the team went to Corning and took them down the line by a score of 41-20, in a game that was closer than the score indicates. Corning lead at the half 14-13 but the boys showed every one concerned that unlucky thirteen was not all they were going to get and stretched it out to forty one, while Corning moved theirs up to twenty. Score Villisca 41 Corning 20.

Stanton came to Villisca and after a hard battle, succumbed, 31-14.

Shenandoah was the next invader on that unlucky fish day, February 13th, but the luck was with us and we won the game by a 27-20 score. A rally by Shenandoah in the last half put the score at 20-19 but still in our favor. Then accurate shots put the game on ice for Villisca.

Corning was the next invader. They came over and gave us a good exhibition of floor work but could not hit the basket. We won 37-15.

When Villisca went to Clarinda they met a fighting bunch and after a nip and tuck, with all the tuck for us we lost a hard fought game by a score of 19-18. We had a six point lead for a while but they tied it up and then it was a seesaw for the lead. When the whistle blew they had it.

In the Sectional Tournament held at the Armory, we went into the semi finals via the bye route. In the semi finals we won over Red Oak by a score of 44-15 in something of a runaway game. But the next game with Stanton was a hard one and after displaying a good brand of basket ball Villisca won a hard fought game 27-13.

In the Southwest Iowa Tournament at Shenandoah, we went into the semi finals via the bye route. There we met our old friends Shenandoah and received our second one point defeat of the year, 24-23. The score was 18-11 at the half but the boys came back with a rush that nearly won.

Much of the credit for such a good season goes to Coach Wieche who worked hard with his boys and put out one of the best teams Villisca ever had. We are proud of him as a coach.

Richey who played a stellar game at guard this season was chosen captain of next year's squad.

GIRLS BASKETBALL

Following the class series, fifteen girls responded to the call for basketball recruits. The Juniors had a majority of the girls working on the team, there being only four Seniors who came out. With only four members of the team graduating there is a good nucleus left for next year's team.

The first game was played with Stanton, and our locals broke even—the girls losing and the boys winning.

The Villisca girls showed their fight when they met Corning on Corning's floor, defeating them by a good score.

The season was a series of ups and downs for our girls, but every time they came up smiling and more determined to win.

52

VIL-HI-SCA

On March fourth, the girls were participants in an invitation tournament at Corning where four teams played. Villisca drew Prescott in the first round and defeated in a good game with a score of 22-18. Corning won from Cromwell. In the evening, winners played winners, and losers played losers Villisca defeated Corning in a very fast game 13-11, and was awarded a silver cup.

In the State sectional tournament held at Stanton, the Villisca girls drew Corning, and defeated them again, this time by a score of 25 to 22.

In the second game of the tournament we played Bedford, and this time we were defeated by a score of 14-17.

Twelve girls who were faithful to the team received their letters as a reward.

INTERCLASS BASKETBALL TOURNAMENT

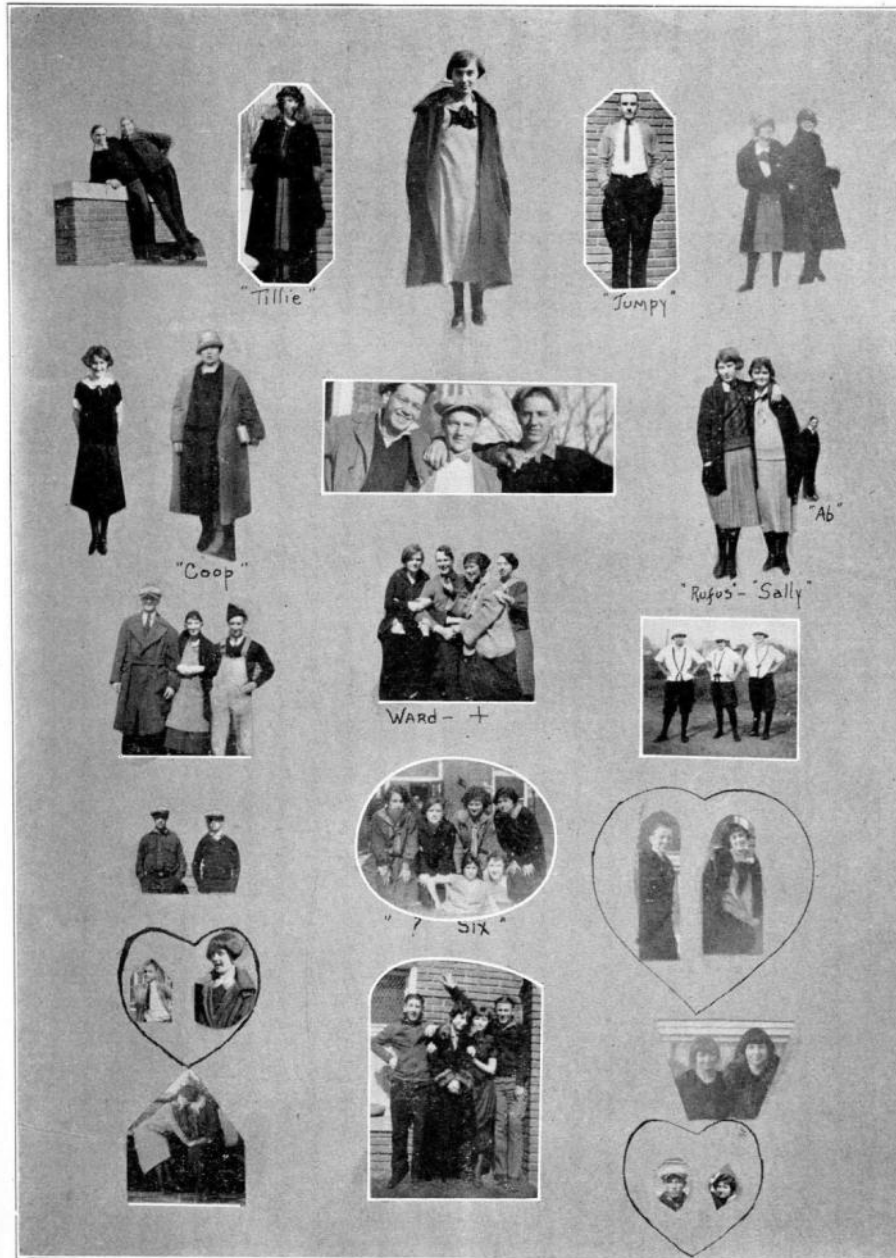

The Seniors won the class series by taking a 19-11 game from the Juniors. The Seniors had defeated the Sophomores 29-24 in a hard game the night before, while the Juniors took the speedy freshmen team into camp 18-10.

In the girls games the Juniors were there and the rest of the classes were missing. They defeated the Freshmen 65-3 and the Seniors 26-6. In the other games the Sophomores lost to the Seniors 7-2 and the Seniors lost to the Juniors.

The tournament was mainly to see which class had the best team in high school and if there was any good players in the classes to get them out for basketball.

The scores follow.

VILLISCA HIGH SCHOOL Y. W. C. A.

The Y. W. C. A. of Villisca High School was organized in 1916. Since then it has grown steadily until last years and this year we have had one hundred percent membership. Every opportunity for bringing the girls into closer fellowship with God and with each other has been taken. Meetings are held every two weeks and the girls have co-operated in making them interesting and helpful.

From the time school opens in the fall until the Senior Farewell, the girls have many good times together. In the fall the new girls are welcomed into the club by their "Big Sister" who takes them to the first meeting which is usually a picnic.

Our annual entertainment this year was called the "Jollies". All of the girls worked together to make it a success and many of the boys very kind-

ly helped with parts of the entertainment. We are planning to have a mothers and Daughters tea, when the new officers are installed instead of a mothers and Daughters Banquet.

The Girl Reserves co-operated at Christmas time with the Montgomery County Welfare League in selling seals. The Friday before Christmas a childrens party was given in the gymnasium for many little children of the town. Baskets were also taken to many of the needy homes.

A one-day conference was held in Red Oak which the Cabinet girls attended. Every year we send a number of girls to the Conference at Okaboji. Five girls attended the conference last summer.

Much of our success as an organization is due to the leadership of Miss Winter and the co-operation of the citizens of the town. Miss Winter has been our advisor for the last two years and it is through her efforts that the organization has grown.

We believe that the Girl Reserve organization of the Y. W. C. A. brings the girls into closer fellowship and through united efforts every girl is given some part in the work. We feel that as the girls go forth from the Girl Reserve work they will be benefited both mentally and morally by their service to their fellow-men.

—Ruby Johnson.

THE JOLLIES

The annual Girl Reserve entertainment was given this year on February twentieth, and was fairly well attended.

There were two main shows, the one in the gym and the other in the assembly room. The one in the gym consisted of dances and drills given by the girls in a pageant of nations. The one in the assembly was on the order of an Orpheum, consisting of music, vaudeville and readings.

In every room, some sort of side show was going on, and voices were heard calling out from the different parts of the building, "Right this way to"

The "Hall of Horrors" was indeed a horrible place with the uncanny slippery oysters and "Pete" the skeleton, which made cold shivers go up and down one's back.

The Shakesperian Tragedy well deserves its name by bringing tears to everyone's eyes. The manly duke stabbed the King; the queen fell dead; the duke drank poison, and last but not least the lovely princess fell dead. The play ended with "We are still dead."

Delightful lunches, suitable to the season of the year, were served in the tea room. The lovely waitresses in the little white aprons, always asked in the same sweet tone, "What would you care for?" The stands in the halls were decked out in their best when the festival started.

When all the guests had gone, there was nothing left of the "Jollies" but the piles of confetti on the floor, the topsy-turvy looking stands and some very tired people.

THE JUNIOR-SENIOR BANQUET

The Junior-Senior Banquet of 1924-1925 was held May 2, 1924 in the gymnasium of the High School. The decorations were of the parrot colors. The room was made into the shape of a bird's cage with a stage at one end. The tables were arranged in an octagon shape, with a bank of ferns and a huge basket of roses in the center. On each table was a smaller basket of red roses tied with red and white maline. The nut cups and place cards were combined into saucy little parrots. Each girl found at her place a dainty little white handkerchief to be tied about her wrist with a ribbon of her class colors, while each boy found a red rose at his place. There were also printed program and menu cards at each place.

Toasts were given by different members of the classes. The Juniors presented a clever little play as a part of the program, and also gave the future of the members of the Senior class.

BOYS' GLEE CLUB

The Boys' Glee Club, consisting of twenty harmonious voices, has done exceptionally fine work this year. The boys have furnished the musical part of several programs, such as Armistice Day, Declamatory Contest, etc. They presented a most interesting program for chapel—the love scenes from various ages. The cave man was sufficiently rough. Romeo and Juliet did the balcony scene most effectively on a step ladder, and the photograph album of our fathers and mother's day was very interesting. Undoubtedly the Shiek and Flapper of the present day received the most applause; they were so realistic.

The boys also assisted the Girls Glee Club in staging the operetta and making it a success.

GIRLS' GLEE CLUB

The Girl Glee Club of this school year consisted of thirty carefully selected voices, under the able direction of Miss Huff. The girls have done exceptionally fine work, and took prominent part in Armistice day program and presented a program at the Cozy theatre.

For their part of the chapel program they represented K. F. N. F. broadcasting a very interesting program, Verna Winter playing the part of Henry Field, and a Ladies' Aid discussed the shocking ways of High School folks. They also presented several other musical selections.

On March 20, the combined Glee Clubs presented an operetta "Once In a Blue moon", a three act comedy. It was very well attended and proved a decided success.

WRITEUP

Owing to the great demand for chorus work this year, the freshmen girls organized a separate chorus. There are thirty two girls in the chorus, all of whom will make splendid material for the High School Glee Club next year.

The girls furnished the music at one of the Y. W. C. A. meetings, and we all agree that they did splendidly.

Having fallen in love with another girl at college, he sends his chum George Taylor, who closely resembles him, to substitute for him at the week-end party. George has always been anxious to meet Sylvia, whose picture greatly attracts him. He arrives amid preparations for a Spanish Fiesta and finds Sylvia more charming than her photograph.

Unexpected guests in the persons of Sir Percival Chetwood and M. Rene LeMon arrive and are welcomed as distinguished noblemen by Mrs. Montgomery, and invited to remain for the festivities. That night while the guests are dancing, a robbery takes place and suspicion is turned on George, who is forced to disclose his identity. Things look dark for him until the guilty parties are brought to justice. A telegram from the real "Bob" announcing his marriage leaves George free to finish the story in the approved fashion.

Synopsis

“Come Out of the Kitchen” is written about a Virginia family by the name of Daingerfield, who finding themselves temporarily embarrassed, decide to rent their home to a rich Yankee, named Crane. Crane stipulates that a competent staff of servants should be engaged for him. One of the daughters conceives the mad cap idea that she, her sister and their two brothers shall act as the domestic staff—Olivia is to be cook, and the others take the other servants places. When Crane arrives, accompanied by Mrs. Falkner, her daughter and Crane's Attorney, Tucker, they find the servants possessing so many extraordinary methods of behavior that complications arise immediately. Crane notices Olivia at once, and after a maze of delightful incidents, the real identity of the heroine is disclosed. Crane professes his love for his cook and the play ends with the brightest prospects of happiness for the two young people.

DETERMINATION

Is what made this annual possible. The same DETERMINATION coupled with systematic saving will make it possible for you to go to college, start in business or take that vacation trip you have planned. Save and always for a definite purpose.

This bank has a SAVINGS DEPARTMENT where you can deposit your surplus earnings and add thereto as often as you desire. Don't forget OLD AGE is just around the corner, cultivate thrift and be prepared.

We perform any service any good bank can.

CO-OPERATION IS WHAT COUNTS

One man alone could never have built the Woolworth Building. It was cooperation that did it—and the same is true of every worthwhile achievement, from a successful marriage to a prosperous community.

Farmers, wage-earners and business men have the whole-souled cooperation of the FIRST NATIONAL BANK in their business undertakings. Count on us to do everything we can to bring better times and confidence to our community, and to help you in your personal financial affairs.
