CLASS HISTORY

In 1951, forty-five students signed up for a long journey to the interior of the state, "Better Knowledge of Tomorrow's World". They were Anna Adair, Barbara Bangston, Rita Bennett, Mae Louise Bisbee, Mary Lou Bisbee, Linda Branan, Marsha Bryson, Gary Drummond, Beverly Dunn, Candy Dunn, Karen Enarson, Steven Findley, Pattie Fryer, Henry Gass, Vickie Graham, Christina Higgins, Herbert Holland, Jackie Jensen, Avon Johnson, Ingrid Johnson, David Kernan, Bethel Link, Claudette McNeal, Dennis Means, Stanley Means, Nancy Mitchell, Linda Newberg, Linnea Odson, Beverly Offerman, Frankie Olson, Mark Palmquist, Jane Penwell, Duane Peterson, Carol Phillis, Jerry Rupp, Kathy Scholey, Dennis Scott, Bob Smith, Darwin Smith, Montie Sprague, Jerry Sweeten, Larry Templeton, Carroll Thuman, Kathy Wertman and Jimmy Williams. Our engineer was Mrs. Ruth Hentsch and our fireman was Mrs. Frances Gray.

When we were ready to leave, we found that Gary Drummond, Herbert Holland, Jackie Jensen, Beverly Offerman, Jane Penwell, and Carroll Thuman had caught a previous train and had gone on in different directions.

At our first stop we picked up new passengers. They were David Baumbach, Opal Birch, Jim Brannan, Judy Daniels, Dianne Derry, Sue Ellen Harris, Sherryl Jackson, Kaye Jamison, and Drew Schrader. We lost Steven Findley, Henry Gass, Ingrid Johnson, Jerry Rupp, and Jim Williams because their cars were transferred to a different train. Our fireman became very tired so she decided to wait for the next train. Our new firemen were Mrs. Lillian Day and Mrs. Ann Wheeler.

At our second stop our new passengers were Robert Churchill, Pat Croxdale, Jackie Ellis, Alan Hill, David Guffey, and Evelyn Ryan. We lost David Baumbach, Rita Bennett, Judy Daniels, Sue Ellen Harris, Evelyn Ryan, and Larry Templeton, since their cars were derailed, and they had to be transferred to another train. The firemen on our train wanted different passengers so they handed their jobs over to Mrs. Ernel Eickemeyer and Mrs. Marie Reavis.

At our third stop we all knew each other quite well and we were also getting to know the firemen's tricks. They knew this so they switched, so we had Miss Flossie Miller and Mrs. Ann Wheeler for this year. Our new passengers were Tom Cohoon, Richard Camp, Ann McIntosh, Patty Neal, Mary Roberts, and Ricky Woods.

Micheal Brannan, Robert Churchill, Jackie Ellis, Cristina Higgins, Frankie Olson, and Bob Smith left us because their couplers became loose and they had to be transferred.

At our fourth stop our new firemen were Miss Mary Davitt, now Mrs. Tom Steinhauser, and Miss Margaret McElory, now Mrs. Junior Kernan.

Anna Adair, Craig Nordyke, Karen Ocian, and Janette Zellmer were the new passengers. Those who never learned to walk straight on the moving train left us. They were Anna Adair, Richard Camp, Pat Croxdale, Vickie Graham, Alan Hill, Ann McIntosh, Nancy Mitchell, and Ricky Woods.

Gordon Anderson, Betty Andresen, Sandra Currin, Bernie Lewis, Elvin Mercer, Tom Purvis, and Nancy Zellmer were the passengers who joined us at the fifth stop. Those who left were Gordon Anderson, Betty Andresen, Elvin Mercer, Karen Ocian and Montie Sprague. Our firemen were Mrs. Maxine Felt, Mrs. Lois Stephens, and Mrs. Ruth Hentsch, our engineer, saw that the steam pressure was kept up.

At the beginning of the second semester Mrs. Felt left for a warmer climate so Mrs. Margaret Posten took over for her.

At our sixth stop we were divided into several trains because there were several firemen. They were Mrs. Laura Carter, Miss Gladys Penton (now Mrs. Walter Nelson), Mrs. Margaret Posten, Miss Bernice Wisdom and Mrs. Doretta Youngman. The engineer was Miss Sylvia Enarson and the helpers were Mr. Duane Johnson and Mr. Richard Smithson. The new passengers were Pat Barlow, Larry Bickert, Dennis Carlson, Merlin Govig, Vickie Graham, Tom Haley, Gerald Jackson, Roma Johnston, Steven Laire, Ronald Lewis, Larry Liljedahl, Suzy Madden, Larry Schaffer, Sharyn Selley, Betty Templeton, Bonnie Ward, and David White. Those whose later left were David Guffey, Steven Laire, Betty Templeton, and Bonnie Ward.

At our seventh stop we had the same firemen except for Mr. Gary Hayden and Mr. James Nelson. Our new passengers were Myrna Govig, Doris Heatherington, Jack Kay, Beverly Offerman, Patsy Peery, and Roderick Russell. Those who left us were Sandra Currin, Merlin Govig, Sherryl Jackson, Jack Kay, Bethel Link, and Patsy Peery.

At our eighth stop our new passengers were Gordon Anderson, David Baker, Paul Larson, Carolyn Mathews, Bobbye Maurer, Dorothy Morgan, Bob Penwell, Ed Perrin, Dick Quinn, Jerry Rupp, Ed Shough, and Larry Stalder.

Gordon Anderson, Opal Birch, Vickie Graham, Dorothy Morgan, Tom Purvis and Larry Schaffer are the passengers that left us.

The firemen were new except Mr. Nelson and Mr. Johnson. The new firemen were: Mrs. Elsie Ahnen, Mrs. Fern Best, Mrs. Berniece Guffey, Mr. Elmer Burch, Mr. Elbert Gruit, Dean Rounsevell, and Mr. John Whitehead. Mr. Elmer Perkins was the new engineer.

So far we have completed eight of our twelve stops. We have four stops left and probably many of us will be on different trains before the four years are over. The eighth grade class of 1959-1960 has worked very hard in the past years and will work just as hard, if not harder, in the next four years.
