*Presenting . . .
The 1975 Bluejay
Villisca Community
High School
Villisca, Iowa*

Dedication

She has given her many talents to our school and community. She has been patient and understanding and always willing to help whenever needed with the many problems of students. Her interest and cooperation in working with students and teachers are valuable assets which she uses to perfection.

With sincere appreciation, we dedicate the 1975 Bluejay to Mrs. Helen Sutphen.

Hey, Carol what did you bring to eat for our coffee break today?

Mr. Robert Williams resides in Villisca with his wife Jan and son Joe. Mr. Williams has been the superintendent for the past two years. Mrs. Carolyn Harris has been working as secretary for the superintendent for four years now.

He's at school, is he!

Mr. Ronald Rubin resides in Villisca with his wife Hazel and three children Linda, Sheri, and Randy. Mr. Rubin has been Junior and Senior High School principal for the past two years. Mrs. Carol Greenfield has been the principals secretary for eight years.

Mr. Kevin Avise, first year teacher at Villisca, in addition to teaching literature courses, sponsors the Volcano and freshman class. He lives with his wife Marla and son Michael.

In Memory

In the memory of our classmate and friend, Rick McAlpin.

All of us remember him in different ways, but we all remember. His good sense of humor and teasing ways, but also his serious moments, will always linger in our minds.

1975 Bluejay Relays Queen, Miss Lauri Bergren

The 1975 track team was well represented again this year. The team consisted of two seniors, five juniors, eleven sophomores and four freshmen. They participated in several meets around and hosted eleven schools at the Bluejay Relays. The Relays were won by Corning and Villisca placed eighth at the meet. Also, the 440 yd. relay team, which consisted of Rich Fast, Tom Schafer, Mike Schafer, and Chris Shapcott participated in the State Track Meet in Des Moines.

Bluejay Cagers

The Villisca Bluejay Basketball season was one of improvement by posting a 11-9 record, the best in several years. The Jays finished 5-7 in the Tall Corn Conference to tie for fourth in the final standings. Five of the Jays losses were to Corning, a top ranked team, and Mt. Ayr, who advanced to the Boys State Tournament. Three of the four remaining losses were by a total of 12 points. The Bluejays lost only two seniors, Jerry Baker and Tom Schafer and with six letterman returning should have a fine season next year. Jerry Baker led the Jays in both scoring and rebounding with a 13.5 and a 9.7 average respectively. Sophomore Terry Westerlund followed closely with a 12.2 and 8.1 average. Brian Williams and Mike Schafer followed in scoring with 11.5 and 11.0 average. Jerry Baker was named to second team all conference and Terry Westerlund, Brian Williams, Mike Schafer, and Tom Schafer were named honorable mention.

Highlights of the Season. Big opening win vs. Stanton 55-43. Being rated as one of S. W. Iowa's top ten Class B teams throughout the season. Finishing above .500 at an 11-9 record. Winning more games and conference games than the last four years combined. A great come-from-behind victory vs. East Union on Dec. 20, 1974. Hitting the century mark vs. New Market on Jan. 7, 1975 (100-32). Beating South Page in sectional opener 56-73. The first tournament win for a Bluejay team in several years. Advancing to the sectional finals. Another first for recent Bluejay teams.

Jayette Track

Coaching girls track for the third consecutive year was Mr. Larry Hummel. Although the squad was young, they had a very successful season. Five new school records were set. These are: Tracy Greenfield, 220 Yard Dash; Diane Jenkins, Mile Run; Kathy Kerr, 220 Low Hurdles; Becky Patterson, Trudy Greenfield, Diane Jenkins, Kim Greenfield, 400 Meter Shuttle Relay. They also hosted the 2nd Annual Jayette Relays. With everyone returning, the future should be bright for the girls' track squad.

Bluejays Produce Athletes, Winners

The BlueJays boasted a 6-2 season record, equaling that of last year's team. Both losses were to conference teams. Villisca also handed Corning its first Tall Corn Conference loss since joining the league. The BlueJays finished second in conference play, tied with Corning. The BlueJays had a good showing when All-Conference selections came around. Those named to First Team Defense were: Stan Shipley, Rich Fast, Jerry Baker, Tony Marsh, and Jeff Fast. Named to First Team Offense were: John Hausen, Tony Marsh, and Tom Schafer. Named to All-Conference Second Team were: John Schafer, Chuck Fast, Brain Williams, Bryce Franson, Joe Williams, and Mike Schaffer. Tom Schafer was the leading rusher with a total of 924 yards, for the season. Tom Schafer and Joe Williams were tied in pass receptions with 9 catches apiece. The BlueJays showed good strength in the underclassmen and should be ready for next season.

Future Farmers Of America

The Villisca Reno Smith Chapter of the FFA is an active group of people. We have meetings at the beginning of every month all year long including the summer months.

In the fall the FFA has numerous activities. One of the first things is the Greenhand Initiation. At the initiation the new members to the FFA are both formally and informally initiated into the organization.

In October a group of students from the Sophomore Class always go to the National Convention at Kansas City.

To raise money for the local ambulance fund, this year our FFA had a marathon basketball game. We played basketball from 8 pm November 15 to 8 pm November 16. This was a long time to play basketball, but it was for a worthy cause and raised \$800 for the ambulance fund.

By the month of November the main FFA project is Fruit Sales. This is a combination of moneymaking and community service project. Our chapter sold about 1000 boxes of fruit this year, providing many fine Christmas gifts of fruit. Sales also pay the dues of most chapter members.

After the beginning of the year all of the classes look forward to contests. Some of the contests are Creed Speaking, Manuel Quiz, Conduct of Meetings, Parliamentary Procedure, Program of Work, Secretary's Book, Treasurer's Book, Record Book and Proficiency Awards.

Right after we have finished contests and the Sweetheart Dance we must start planning our Parent-Member Banquet to show Parents and other people in the community what we do each year. Our school year ends with a Hog Show which is open to all members. In the summer months the FFA has judging contests, swimming parties, hog roasts, State Fair contests, and their monthly meeting.

Band Notes

Successful is a good way to describe this year's band season.

This year's marching band season was perfect. Like all years it was filled with early morning practices, routine workouts, and hard work from each and every member of the band.

The first place we displayed our talent was at the Mt. Ayr Band Day, where we received a I rating. We then traveled on to the Clarinda Band Jamboree in which our excellent street marching qualified us for the finals that led to a 1st place finish in Class B for the sixth consecutive year. Next we ventured on to State Marching Band Contest and received one of the few I ratings. Our next contest was at Plattsmouth where our hard work led to another hard-earned I rating. Our skill and many hours of work payed off as we were invited to Simpson College to play at half time. This is one honor the band will never forget.

Jeanne Bashaw was our band queen this year. She represented us at the Mt. Ayr Band Day and the Clarinda Band Jamboree. For the first time in many years we had a drum majorette, who was Donna Skahill. Donna did a fine job leading the band to a perfect season. Along with these many activities the band also marched at all home football games and the homecoming parade.

Concert Band spent most of its time preparing for concerts: The Christmas Concert, Winter Concert, Parade of Bands Concert, and the Honors Concert. Somehow we managed to squeeze in Large Group and Small Group contests. Several I's were received at small group contest and the band received a II rating at large group contest. Also we played at Commencement and Memorial Day Services.

Stage Band was a participant in the jazz festivals at Creston and Peru. A special Jam Session which featured alumni stage band members ended a busy season.

Considering the hours of hard work by students and director this proved to be a very fulfilling and successful season in many ways.

Band Council: Gale Hess, Paul Bangston, Jeanna Hampel, Sherri Rubin, Donna Skahill, John Hausen.

Drum Majorette: Donna Skahill

Honor Bandsmen: Donna Skahill and Greg Thomas.

Second Row: Jane Poston, Dixie Laire, Lori Kinser, Greg Thomas, Jim Herzberg, Brian Williams, Sarah Darnold, Cindy Mauderly, Gaillyn Kinser, Twyla Schrader.

Kay Lewis and Greg Thomas were two chosen from 5000 auditioners to be part of a select 600 voice chorus which performed at the 28th Annual Iowa All-State Music Festival.

A commendable job of accompanying for chorus rehearsals, programs, and many community events goes to Greg Thomas, Cheryl King, Marty Kernen, and Kay Lewis.

As student director, Maestro Greg Thomas, senior, directs the chorus in a rehearsal.

Chorus and a newly organized swing choir had a very busy and successful year in presenting a Christmas, winter pops, and spring concert. They also performed for many community activities such as Senior Citizens, ladies circles, Elementary faculty dinner and the Farm Bureau dinner. Some of their other activities were participating in Creston Little All-State, IWCC production of the "Messiah", small group contest receiving two I and eight II ratings, and singing for Baccalaureate and Commencement. Plans for next year include a vocal exchange concert with a nearby school and an ice cream social.

The outstanding vocal achievement award was awarded to Greg Thomas, a senior, for his musical interest, citizenship, attitude, service, and dedication to the vocal department. The candidate is selected by the students in chorus.

To the VHS Students:

Well, the 1974-75 Bluejay is finished for another year! Our work could be compared to an assembly line, with a lot of deadlines to meet. We worked hard to preserve all the memories made during the year, and we hope you enjoy each and every page.
