The 1976 Bluejay

Villisca Community High School

Villisca, Iowa

Dedication

No one really knows the work that goes into a job that involves more than just keeping books and balances. Mrs. Greenfield is more than just a principle's secretary, she's responsible for typing and always within reach to answer the calls on the intercom. She's always willing to help whenever someone interrupts her work countless times a day. We want to say thank you for all the patience and co-operation she has given.

With sincere appreciation we proudly dedicate the 1975-76 Bluejay Annual to Mrs. Carol Greenfield.

We can never go back,
It's over and done.
We can never go inside
And be one of them again.
Reflect upon the past
And remember well.
Look through and shed a tear,
And imagine what might have been.
Then turn, go one—life is waiting.

Coach Hummel hands out medals at the Jayette Relays.

Coach Larry Hummel was very pleased with the success of the 1976 Jayette Track Season which broke four school records. The team earned a total of 70 metals and 12 ribbons for the season with the highlight being a third place finish in the Jayette Relays. The team had 16 members and were led by captains Kathy Kerr and Becky Patterson. With continued desire and determination, the future looks very promising for the Jayette tracksters.

Lori Peterson, Kathy Kerr, Becky Patterson, and Tracy Greenfield set the record in the 440 Relay with a time of :54.8.

Kim Greenfield set a record in the 100 Meter Hurdles with a time of :17.6.

Diane Jenkins set a record in the Mile Run with a time of 6:08.

Laura Brock, Kathy Kerr, Becky Patterson, and Kim Greenfield set the record in the Shuttle Hurdle Relay with a time of 1:14.5.

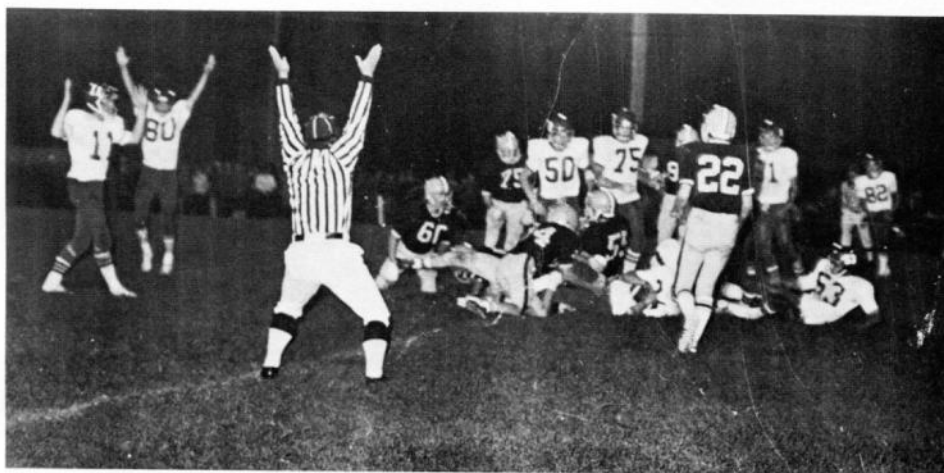

Ughhhh!

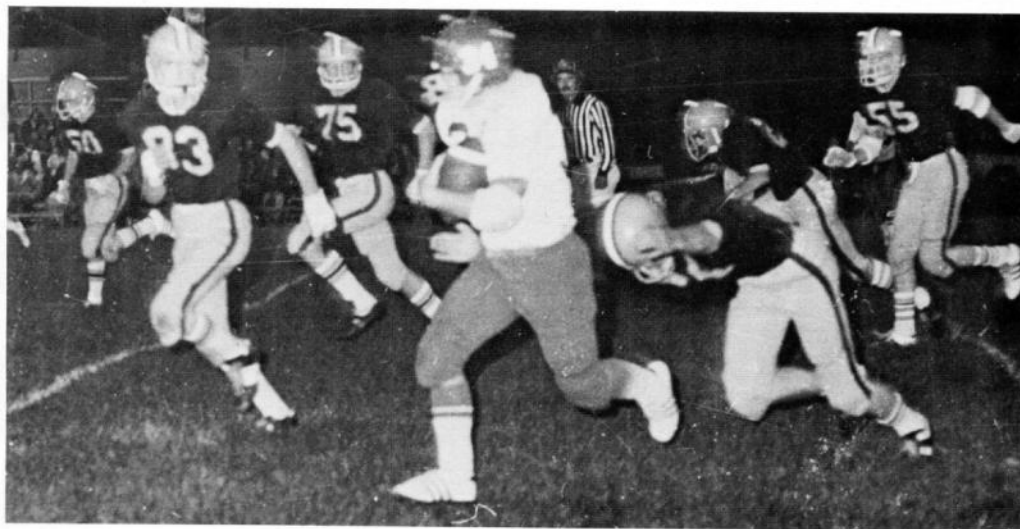

Lori Peterson shows her skill in high jumping.

Football

Villisca finished the season with a fine record of 6-2. We also shared the Tall Corn Conference with Greenfield. The people making the 1975 All Conference Team Offense are Joe Williams, split end; Rich Northup, Tackle; Mike Schafer, Quarterback; 1st string Defense are Jim Herzberg, linebacker; Brian Williams, Deep back. The 2nd string All Conference are Paul Gangston, Mitch Jergenson, and Chuck Fast. Steve Solt, and Bryce Franson.

A job well done!!!!

The Villisca Bluejay Basketball Team finished the season with a record of 6-12 and 5-7 in the Tall Corn Conference. The Bluejays were stalked with bad luck throughout the season. The Jays lost eight games by eight or less points and dropped three two point games. The Roundballers lost Brian Williams due to a car accident in December. Brian was scoring over 16 pts. a game.

The Jays struggled through the last half of the season and many underclassmen were called upon to fill in. The Bluejays played with desire and coach Nardini was very proud of them. Terry Westerlund was voted unanimously first team all conference and Kent Jackson received honorable mention. John Schafer provided the team with fine leadership while Paul Bangston gave his all in this most

difficult season . . Bryce Sunderman showed a great deal of desire and hard work. Four of the five starters will be back next year with Marc Stephens, Greg Haer, Rod Fast giving them a boost. A fine group of freshmen should add to the varsities strength. At the finish of the season the members of the team were, Seniors--Paul Bangston, Mark Shirley. Juniors--John Schafer, Terry Westerlund, Bryce Sunderman, Marc Stephens, Tom Darnold. Sophomores--Rod Fast, Greg Haer, Bill Enarson, Mike Baker, Kent Jackson, Keith Anderson. This years track team was led by an experienced nucleus. They finished 5th in the BlueJay Relays and in the upper half of all other relays that they participated in. Two school records were broken this year. Mike Schafer set a new record in the 220 yd. dash with a clocking of 23.3 seconds. Joe Williams set a new mark in the 880 yd. run with a time of 2:05.4. Mike Schafer also advanced to the State Track Meet in the 220 yd. dash. With the experienced gained this year the returning tracksters should have a fine season next year.

This year Villisca added wrestling as a school sponsored activity. Since this is the first year of interschool competition, meets were scheduled with mostly Jr. Varsity squads from our conference and other area schools. Our beginning wrestlers are to be commended for their fine showing against wrestlers from other schools with far more experience. As a team, the high point of the season was bringing home the first place trophy from the South Page Tournament. Although each wrestler had many individual accomplishments, Chuck Fast's second in the sectional tournament, qualifying him for the district tournament, was very impressive for a first year wrestler. Since most of the wrestlers are coming back next year a fine season is expected.

Homecoming '75

The theme of this year's homecoming was the bi-centennial and as usual, various activities were carried on throughout the week. Float building started on Monday, and this year there were also several entries by different organizations within the school and community. There was the usual painting of the town, and the street in front of the school was painted with good wishes for the team. Thursday night involved the queen coronation and pep rally, and finishing touches on the floats.

The parade on Friday also had various changes. The route started at the Enarson Building and passed on by the Good Samaritan Center to enable the residents to see the parade activities. There were also a few additions to the parade, this included the queen and her candidates riding in horse-drawn buggies and the Stanton High School Marching Band. After the parade the cheerleaders held their spirit fare and bake sale in the park.

The evening set the spirit for the game between the Villisca Jays and the East Union Eagles. After the victory, everyone made their way up to the dance. The armory had been beautifully decorated by the Science and Math Club, and music was provided by the Michael Dodge Band.

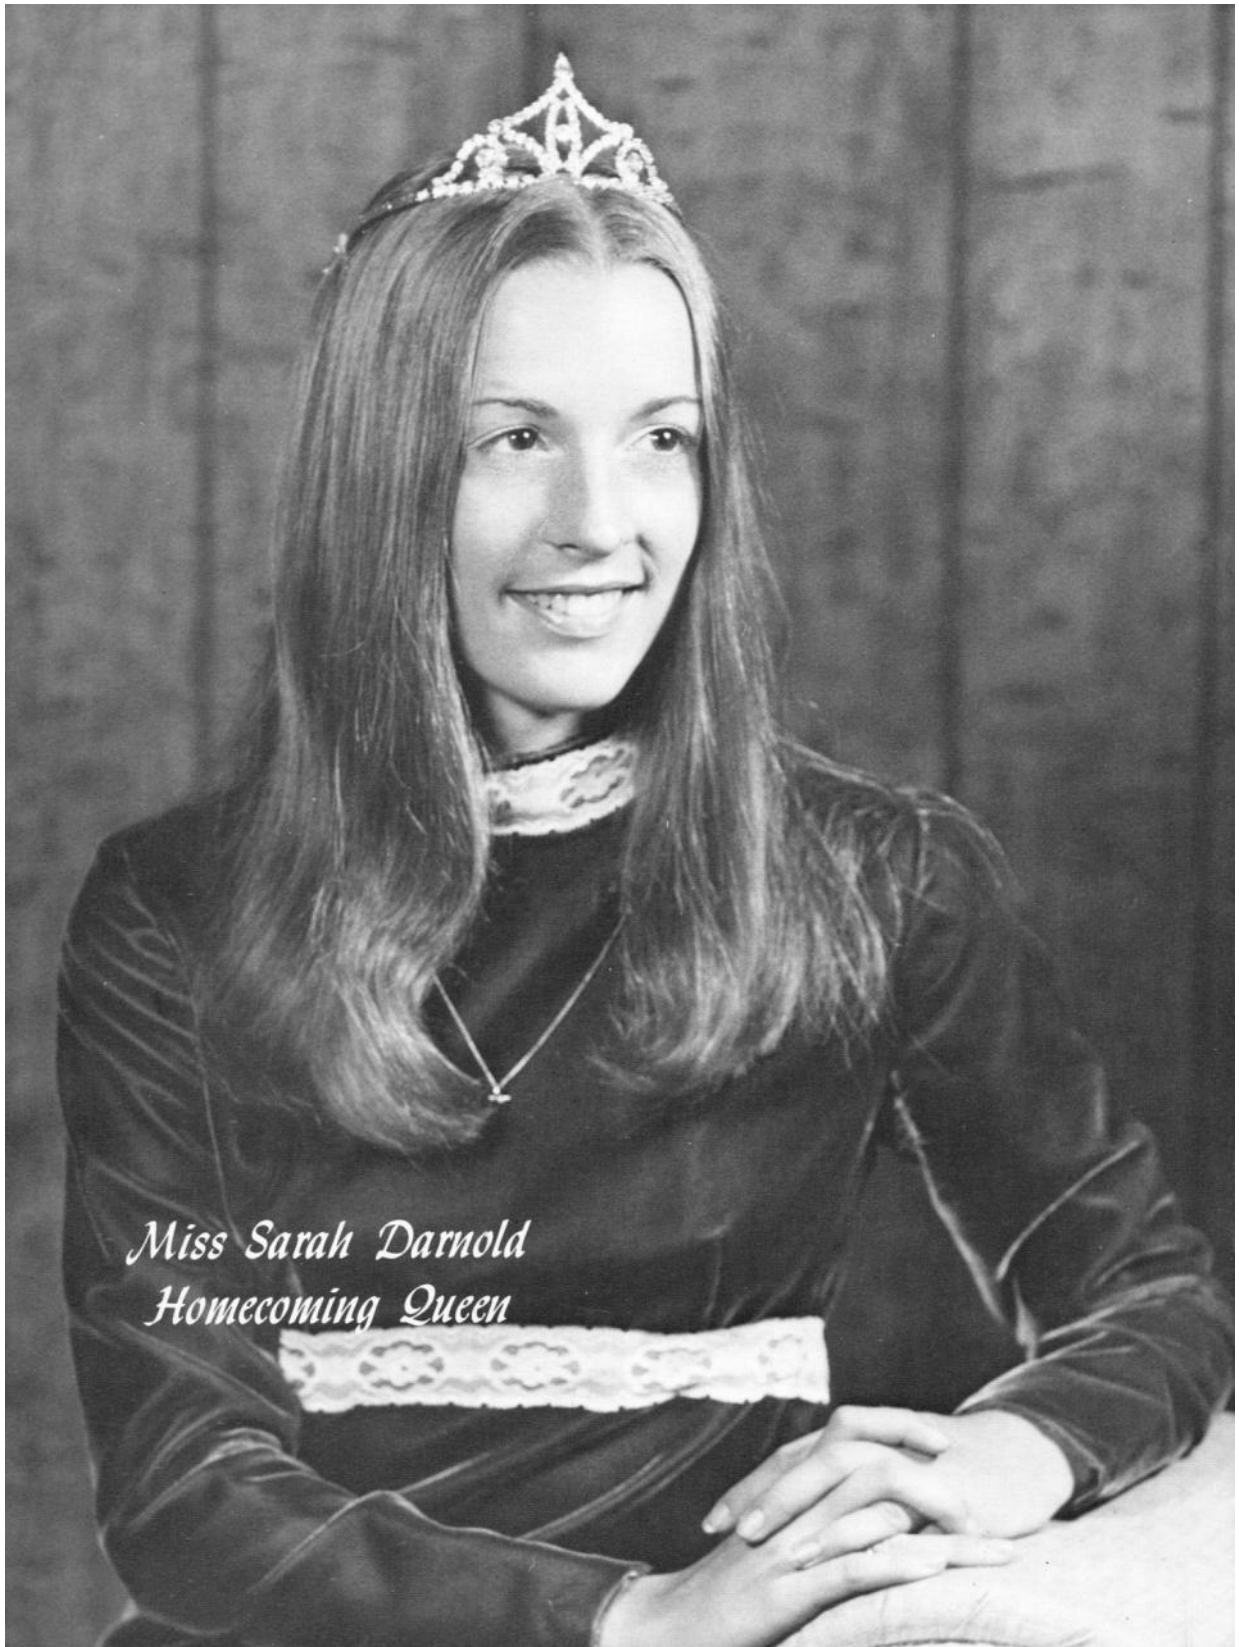

All in all it was a week well spent and due to the co-operation of the students, faculty, and community, Homecoming '75 was a great success.

Y-Teens

The Y-Teens has contributed much during the year to improve our community. One of their major projects was to paint the city's fire hydrants in the patriotic colors of red, white, and blue. This was the fourth year that the girls managed the recycling center project. Another Community service includes taking tickets and operating the concession stand at the theater.

The social events for the year were the Y-Teens Twirp Dance, Mother-Daughter Tea, and the Christmas Kiddie Party.

Maestro Kay Lewis, senior, directs the chorus as this years student director selected by Mrs. Nelson.

Kay Lewis, senior, was selected as outstanding vocal senior for her musical interest, attitude, contribution, and dedication to the vocal department. She was selected by the chorus members.

The chorus and swing choir started the year rather "cool-ly" with an Ice-cream Social which was very entertaining and fun. Another new project this year was a vocal exchange concert with the Glenwood Chorus. The year was both busy and successful in presenting a Christmas, spring, and pops concert. They also participated in Creston Little All-State, Southwest Iowa Vocal Festival, and small group contest. Singing at several community events, churches, and for Baccalaureate and Commencement helped make this year a big success.

Bluejay Band

This year the band collected four trophies and many fond memories.

The marching band season started out very well with a first place rating at the Mt. Airy Band Days Parade. We qualified for the evening finals and returned home with the second place trophy. Then it was on to the State Marching Band Contest, held this year in Harlan, Iowa. We returned home with a II rating.

Other highlights were being asked to play at the Stanton Homecoming Parade and also playing for the opening of the Villisca Aluminum Foundry.

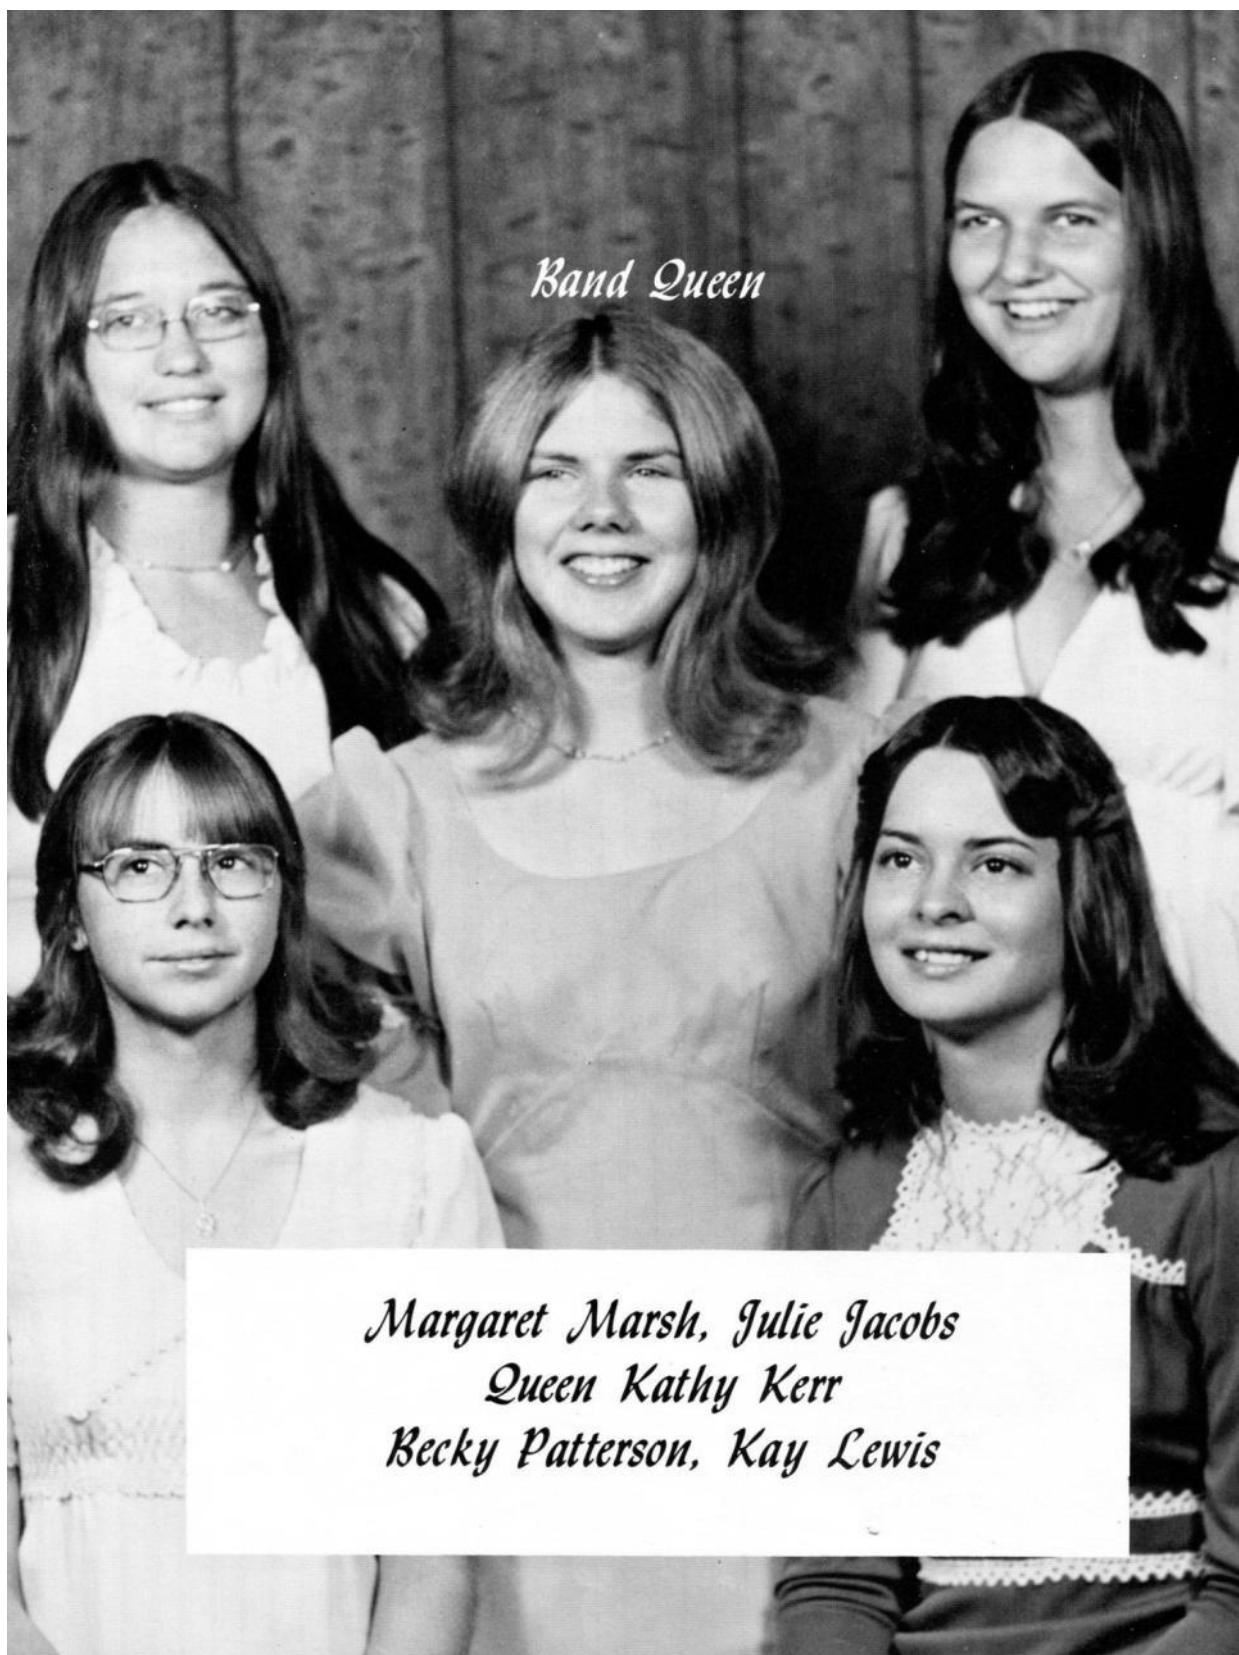

Kathy Kerr was elected band queen this year and she represented the band very well at various events. Another girl that did a fine job was Jeanna Hampel, our drum majorette.

The small group contest was held in Villisca this year and was a huge success. We had many I ratings. The concert band also traveled to Missouri Valley where we received a II.

Stage Band also ended a successful year by staging a jam session on the last day of school.

Hard working band members this year were: Freshmen--Kay Agnew, Mary Bailey, Mark Boggess, Laura Brock, Christy Ellis, Diane Gourley, Patty Grashorn, Tina Gulick, Donna Halda, Calvin Haley, Chris Haley, Debbie Helm, Brian Herzberg, Betty Lukens, Lori Peterson, Cecil Stephens, Marcy Wright; Sophomores--Mike Baker, Chris Berggren, Gail Cassidy, Carole Clark, Cindy Currin, Jim Freshour, Kim Greenfield, Teri Hart, Angela Herzberg, Diane Herzberg, Karen Herzberg, Diane Jenkins, John Marsh, Janet Oblinger, Susan Patterson, Sherri Rubin; Juniors--Ray Agnew, David Boggess, Bernard Cerven, Pam Grashorn, Trudy Greenfield, Patty Hall, Jeanna Hampel, Marty Kernen, Cheryl King, Gaillyn Kinser, Tammy Marsh, Linda Rubin, Sharon Rusk, Bill Shipley, Denise Walter; Seniors--Dave Andersen, Paul Bangston, Brad Dickey, Jim Herzberg, Julie Jacobs, Kim Jamison, Kathy Kerr, Kay Lewis, Margaret Marsh, Becky Patterson.

For the past 3 years, members of the Spanish Club had dreamed of a trip to Mexico. Finally, after much planning and hard work, it looked as if the trip was to become possible. The nineteen members planning to go began to think up projects and carrying out fund raising drives. Some of the projects included bake sales and concession stands, raffles, car washes and selling zip code books. In the fall they also had their annual banquet and all proceeds went to the trip.

The group was to travel by Greyhound bus and be gone 12 days for the excursion. The tour would include sight-seeing in Mexico City, Tasco, and Acapulco and take in such events as the bull fight, cliff diving and souvenir shopping. Plus, the people would have a chance to become more familiar with the native dances of the country and view the Pyramids of the ancient Aztec civilization.

All in all it sounded like a very exciting way to spend a vacation. Through all the planning involved it should prove to be a successful trip. Buena Suerte!

Administration

Principal Mr. Ron Rubin and Superintendent Mr. Bob Williams.

Secretaries; Mrs. Harris, Mrs. Strickland and Mrs. Greenfield.

Mr. Bob Williams, Superintendent, and Mr. Ron Rubin, Principal, have completed their 3rd Year at VHS. They have been aided by very competent secretaries, Mrs. Harris, Mrs. Greenfield, Mrs. Strickland, and Mrs. Dickey. The Villisca Community School Board for the 1975-1976 school year include the following members: Mrs. Roberta Dickey, Board Secretary; Mrs. Susie Enarson; Mr. Joe Northup; Mr. Bob Williams, Superintendent; Mr. Don Williams; Mr. Bob Brown, Board President; and Mr. Gene Westerlund.

Dorothy Strickland, Jr. High Secretary.

Roberta Dickey, School Board Secretary.

Carolyn Harris, Superintendent's Secretary.

Carol Greenfield, Principal's Secretary.

Language Arts

Mr. Joel Patterson, Mrs. Kim Smith, Mr. Kevin Avise

Activities in Spanish III class included a three-week game of monopoly in Spanish to learn the money system. Cheryl, Marcia, Dave and Marty are wheelin' and dealin' to see who is the best operator.

The Language Arts Department consists of many different areas of English. Mr. Joel Patterson is in charge of the basics; his classes include Words and Usage, Basic Grammar, and Introduction to Literature. He also teaches three classes of Spanish. Mr. Patterson feels that everyone should become well acquainted with their own English language, as well as take into consideration that other languages do exist. So much more can be learned when one just takes the time to explore another language. He is also the Spanish Club Sponsor, Senior Class Sponsor and involved with Basketball Ticket Sales.

Mrs. Smith heads the Speech Department. Her classes include Oral Interpretation, Speech I and II, Playreading, and Basic Composition. She feels that the speech department gives you a chance to perform in front of an audience and really helps build self confidence. Extra curricular activities include the Speech Contest and Sophomore Class Sponsor.

Mr. Avise teaches the writing courses of the department. Advanced Composition, American Literature Short Story, Creative Writing and Journalism are among his class schedule. Mr. Avise states that each student progresses at different speeds and needs as much attention as time allows. He tries to make writing a challenge so the students can do their best and not experience failure. Extra activities include Creative Writing Club Sponsor, Sophomore Class Sponsor, and Volcano Advisor.

Out with the old, in with the new. Becky Patterson helps the new editors of the Volcano, Debbie Clark and Marcia Schrader, get the paper ready for publication.

Chris Shapcott proved to be very talented in the field of dramatics. He is pictured as he does his dance for the Mime production which he directed in the spring.

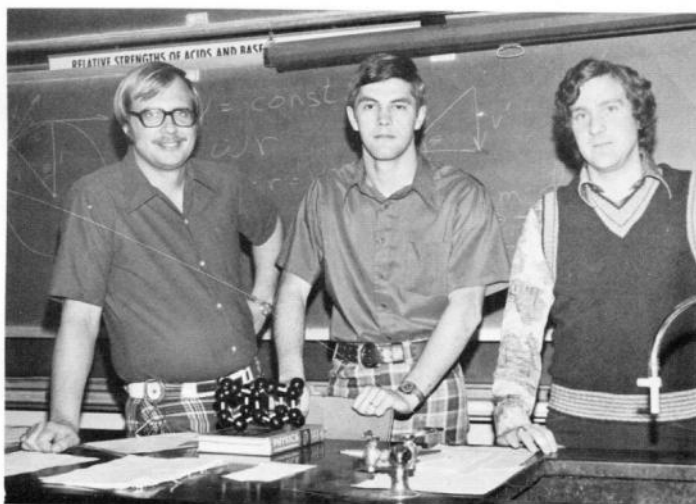

Taking it easy? No, Gail is just practicing for her project in Oral Interpretation.

Jane, Laura, and Marty talk things over as they discuss who killed who in their version of a mini-mystery.

Science Department

Mr. Carl Johnson, Mr. Gary Baker, and Mr. Doug Myers head up the V.H.S. Science Department.

Eddie Carlson displays his directional microphone at the Science

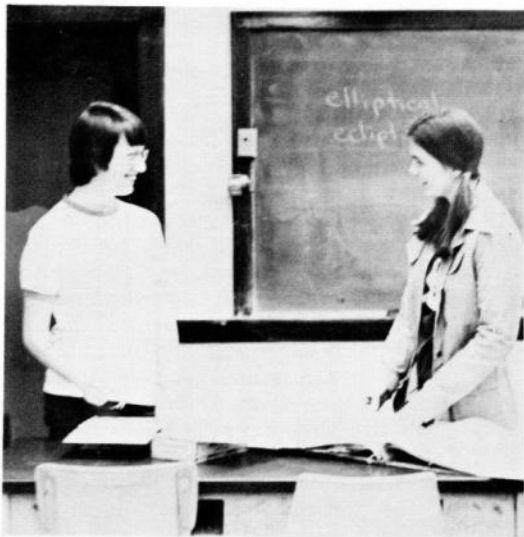

Marc Stephens and Bill Shipley demonstrate their wind tunnel.

Mr. Carl Johnson teaches Molecular and Environmental Biology. He feels that biology helps to improve the insight into the world of living things around us. Mr. Johnson also teaches Physical Education and is Football and Track coach. Mr. Gary Baker teaches S. M. Biology and through use of observation, experimentation, and evaluation hopes to broaden the student's outlook on life and the things around them. Mr. Baker also teaches 7th and 8th grade science, is 7th grade sponsor, is High School Football, Basketball, and Baseball coach. Mr. Doug Myers teaches: Physical Science, Chemistry, Physics, and Senior Science Seminar. Physical Science is an introductory course, made up of chemistry and physics principles. It provides a general understanding of the laws controlling our environment. Chemistry is the basic building block of our environment. In this course students go from the atomic particles to the formation of large molecules including the changes involved. Physics supplies a rather in depth study of the basic laws of nature. Senior Science Seminar is a laboratory class which provides a preview of some college level chemistry experiments, and introduces and expands on some basic concepts by using the discovery method. Mr. Myers is also Wrestling coach and Science and Math Club sponsor.

Business Department

Mr. Barker and Mrs. Gourley make up our Business Department.

In charge of the Business Department at VHS are Mr. Paul Barker and Mrs. Betty Gourley. Mr. Barker's many classes, Personal Typing, Typing II, Office Practice, Business Math, Business Law, and Accounting, provide for students, a business background for additional training or schooling. He is also Cross Country Coach, Annual Staff Advisor and Junior Class sponsor in charge of magazine sales.

Mrs. Gourley's classes, Shorthand I and Typing I, are for personal value or use and to prepare students for gainful employment.

The girls work hard in Typing II.

Karyn Snow works steadily in Typing I.

The students listen closely in Accounting.

Cheryl receives high honors in Typing II.

Gail's getting help in Business Math.

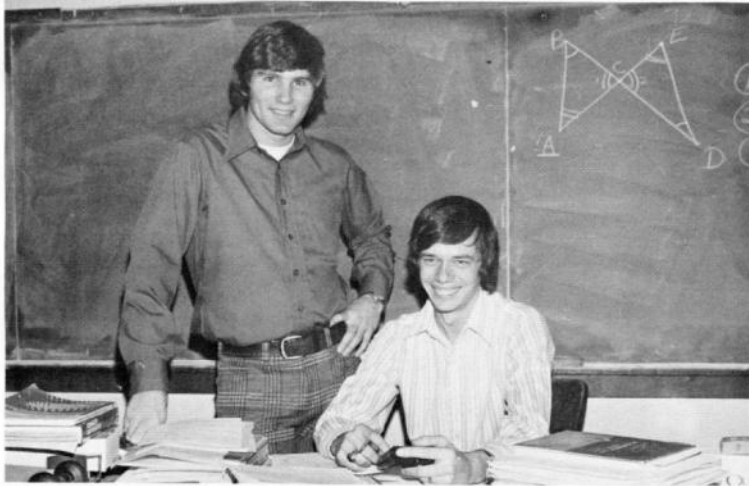

The students are hard at work in Accounting.

"NO, ! I didn't do it!"

Math Department

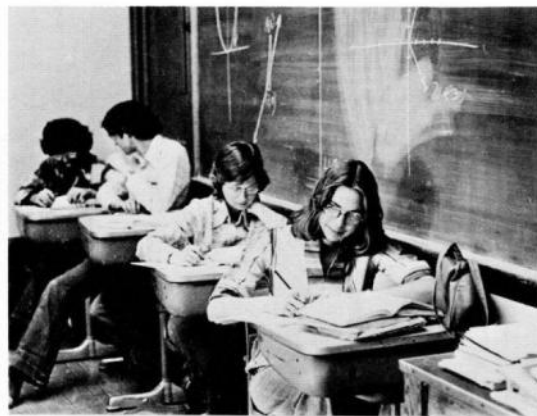

Mr. Robert Lemon, Mr. Tom Niedermeier

Mr. Robert Lemon teaches Algebra I and Jr. High Math. His overall goal, he explains, is to help the students learn the basic fundamentals of math and to learn to think. In Algebra I the purpose is to learn the fundamentals in preparation for higher mathematics. Mr. Lemon is also the Assistant Jr. High Coach, Jr. High Girl's Track Coach, Wrestling Coach and the Sophomore Class Sponsor.

Mr. Tom Niedermeier is the teacher of General Math, Pre-Algebra, Geometry, Algebra II, and Senior Math. He states that mathematics is inexhaustible as an area of discovery and creativity. A person does not have to be good at all aspects of mathematics in order to appreciate it, to enjoy it, and to use its methods. Every student has the chance to be challenged at any creative, emotional, or scientific level he desires to attain. Mr. Niedermeier is also the Assistant Football Coach, Head Coach of Girl's Basketball, Boy's and Girl's Golf Coach, the Math-Science Club Sponsor, and Senior Class Sponsor.

The students are staying busy preparing their assignment for the day.

The geometry class is busy proving that line AB is parallel to line CD.

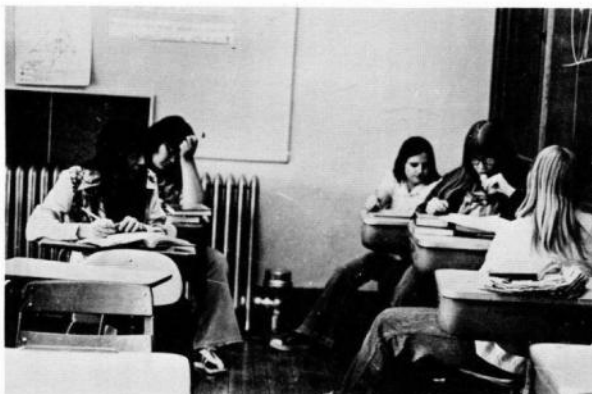

The students puzzle over what to do next.

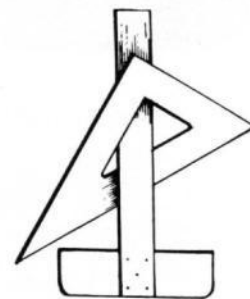

Help is whispered across the aisle.

Isn't there enough work? Then we better add to the assignment.

Will everyone please face toward the front of the room!

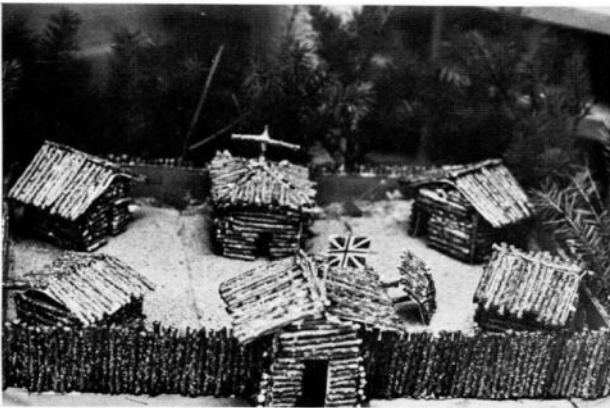

Social Studies Department

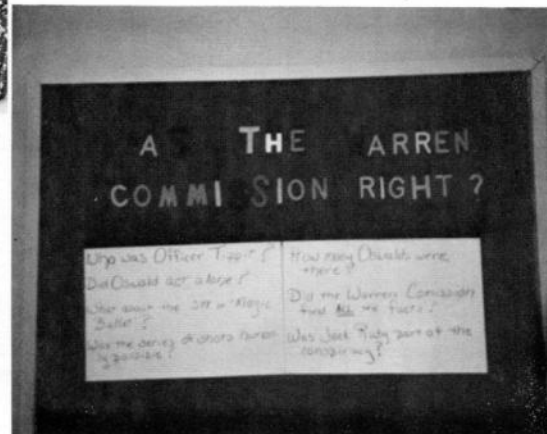

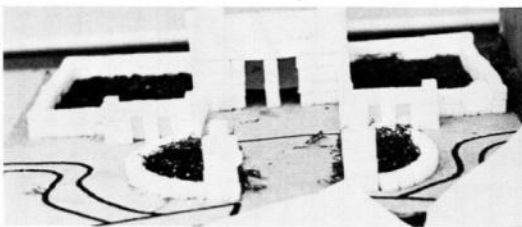

Mr. Nardini and Mr. Chuck Gifford

Mr. John Nardini and Mr. Chuck Gifford head up the Social Studies department at Villisca. Mr. John Nardini teaches American History, Economics, and sophomore World History. Mr. Nardini hopes to provide a basic understanding of how our government works and also to promote the idea that even though we have lots of problems, we still live in the best nation in the World. Extra-curricular activities are Athletic Director and member of the Iowa Athletic Directors Board of Control. He also is the Head Coach for Boys Basketball, along with that he is a sponsor of Lettermans Club.

Mr. Chuck Gifford is one of the best in his field of teaching. Mr. Gifford teaches American History, Social Studies Seminar, Contemporary Problems and Geography. Mr. Gifford believes that his primary purpose or goal in the class room is for his students to learn how to learn and become educated. A secondary goal is for students to enjoy learning and make an education a worthwhile experience. Extra-curricular activities which Mr. Gifford leads in are Y-Teens and Cheerleading. Mr. Gifford also is involved in many town activities such as the Bicentennial committee.

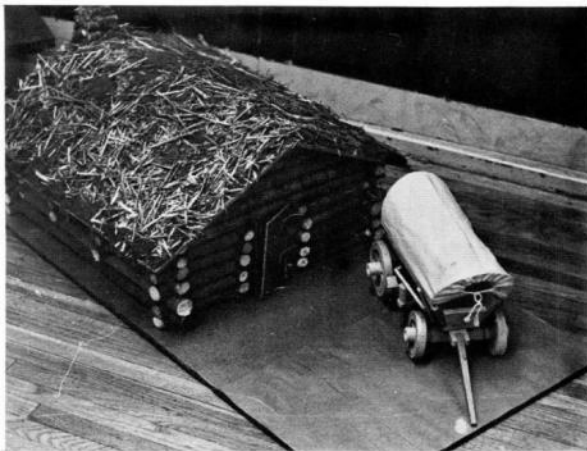

World History projects turn out a success.

Physical Education Department

The P.E. Departments instructors are Mr. Carl Johnson, Mrs. Marilyn Carlson, and Mr. Vince Else.

Heading our senior high boys Physical Education Department this year is Mr. Johnson. He teaches Molecular Biology, Environmental Biology, as well as Physical Education. He is also Head Football and Track Coach.

Mrs. Marilyn Carlson, a fourth year teacher at VHS, makes up the Jr. & Sr. High School girls P.E. She also teaches Drivers Education and is a Y-teen sponsor.

Teaching the Jr. & Sr. High boys Physical Education is Mr. Vince Else. He also teaches in the Junior High and is Jr. High Football coach and Jr. High Boys track coach.

The students through the physical education program will gain a knowledge of several skills. It provides activities for students to try new sports and skills. Many activities are included which have carry-over value for students after graduation. Included in this area are golf, tennis, swimming, bowling, and others. The activities are varied so that there will be something of interest for everyone.

Fine Arts Department

Comprising the fine arts department are Mrs. Linda Pearson, Mrs. Marla Nelson, and Mr. Terry McFee.

Patty gets tied up.

Heading our art department is Mrs. Linda Pearson. Mrs. Pearson has been with VHS for 7 years. Last year the Design I class painted the Youth Center and lunchroom in graphic art; also, several boys created a 10 foot paper mache free form sculpture. Mrs. Pearson says her goals are to stimulate creative ventures for her students, resulting in a feeling of accomplishment and self worth for them. Mrs. Pearson teaches elementary art, Jr. High Art, Basic Art, Design I & II, Drawing and Painting, and Ceramics. She is also a Senior Class Sponsor.

Making up the band department is Mr. Terry McFee. This is Mr. McFee's first year at VHS. He teaches high school and Jr. high marching, concert, and stage bands. He also teaches instrumental lessons for Jr. high. Mr. McFee also acts as a Jr. high sponsor. The band director's purpose is to maintain the band program and to strengthen its weak points. Mr. McFee's goal is to help the students gain a broader spectrum of music in his musical world.

Mrs. Marla Nelson is teacher of vocal activities at VHS. This is Mrs. Nelson's second year at VHS. The chorus, this year, has been very busy presenting an ice cream social; also a Christmas, Winter Pop, and Spring concerts. They've also taken part in an exchange concert with Glenwood High School, Creston Little All-State, and SW Iowa Vocal Festivals. Mrs. Nelson teaches elementary Jr. high and high school chorus. Other activities include Fresh-Soph Vocal Festival, Group Contest, and SW Iowa Vocal Festival.

Vocational Department

Vocational Department consists of Larry Hummel, Sandra Munger, and Chris Nelson.

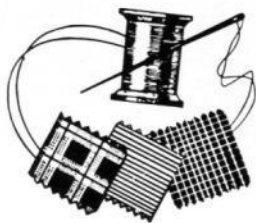

Metals class designs and molds tools.

Mr. Larry Hummel, Mrs. Sandra Munger and Mr. Chris Nelson make up our vocational department.

Mr. Hummel teaches the Industrial Arts department at V.H.S. It is comprised of electricity, metals, power mechanics, woodworking, carpentry, plus architectural and mechanical drawing. This is Mr. Hummel's eighth year at V.H.S. The purpose of I.A. is to give every child an opportunity to explore areas of his choice and to discover his likes and dislikes. Mr. Hummel is also Jr. Class sponsor and Girls Head Track coach.

Miss Sandra Munger makes up the Home Economics department. This is Mrs. Munger's second year at V.H.S. Mrs. Munger teaches Boy's Home Ec, Family Living, Child Development, Basic and Advanced Foods, Basic and Advanced Clothing, and 7th and 8th grade Comprehensive. Her purpose is to prepare students for their future roles in life and to be prepared to accept the responsibilities of caring for themselves independently and in the family unit. Her extra-curricular activities include Junior Class sponsor, Cheerleading co-sponsor, and teaching adult night classes.

This year's Vocational Ag Department is headed by Chris Nelson. This is Mr. Nelson's third year at V.H.S. He teaches Voc. Ag. I, II, III, and IV and also vocational welding. Mr. Nelson's purpose in Voc. Ag. is to provide instruction in agriculture for persons planning to farm and for persons planning to work in an ag related field. He is also involved as FFA advisor and Junior Class Sponsor.

Services

Guidance Counselor Mr. Dwight Lewis and School Nurse Mrs. Helen Sutphen.

Mr. Lewis is Guidance Counselor. The purpose of the Guidance program is to help students assess their strengths and weaknesses and make realistic decisions concerning their goals in life and develop a program for them. With this purpose in mind, Mr. Lewis helps students in areas of: curriculum and course selection; vocational and educational planning; solving personal problems; applying for and obtaining jobs; obtaining scholarships and financial aids; develop qualities of citizenship, leadership, cooperation, and a positive attitude towards work.

Mr. Lewis is also the sponsor of the student council.

Mrs. Sutphen is our school nurse. She is responsible for all health records of the students in Villisca Community Schools. The goal of her department is to promote better student health in any areas where need arises by counseling students, parents, and faculty relating to health problems of the student by the early identification of physical problems and early correction of health problems.

Yes Greg, I promise it won't hurt.

Mr. Lewis helps Bobby with his schedule.

Resources

Mrs. Paxson is school librarian. Her job is to keep a neat library with the books in the proper places. Well organized files and check out methods are an advantage to students as well as the librarians. Her other goal is selecting materials, books, and periodicals that will be helpful and interesting to the students.

Mrs. Kennon is the Resource teacher. The resource room (Learning Lab) is set up to serve students who have seen a need to improve their school related skills. The resource room teacher simply aids the students in deciding where the difficulty lies and selects appropriate techniques or methods that best fit the students needs. The Learning Lab is open to give resource help in academic areas, promote study skills, provide activities in self-awareness, and promote discussion of alternative approaches to life situations.
