**Presenting . . .  
The 1977 Bluejay  
Villisca Community  
High School  
Villisca, Iowa**

## Dedication

We don't really stop and think what her daily schedule is, but it is full from early morning, until the 3:40 bell. She checks out books and magazines and keeps the library looking neat and orderly. She helps teachers as well as students find research material endless times each day, and is always there and willing to help to the best of her ability. Her loyalty and dedication is an asset to the Villisca High School.

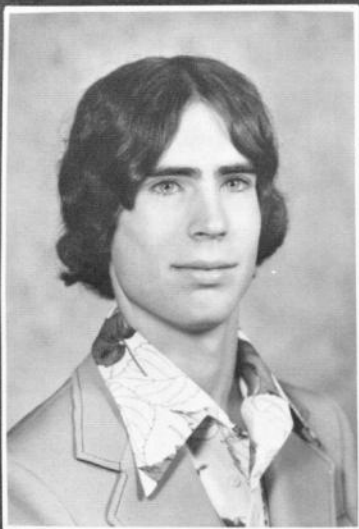

With sincere appreciation, we dedicate the 1976-77 Bluejay Annual to Mrs. Zelma Paxson.

# 1976 Homecoming

The Booster Club contributes to the fun of Homecoming.

This float is all washed up!

The seniors work hard on their last Homecoming float, I think?!

Where would we be without kids?

The Spirit of '76.

Homecoming '76 holds many memories for the students of VHS. I'm sure the majority of these memories are good. Cheryl King was crowned Homecoming Queen Thursday night at the rally in the gym. More excitement followed Friday afternoon with the early dismissal of school and the parade. The cheerleaders sponsored a Spirit Fair in the park after the parade. Friday night the Jays earned another one of their many victories against the Corning Raiders with a score of 7-0. The victory was celebrated at the dance following the game.

Shelley and Debbie Queen candidates?

Villisca's future music makers give a fine performance.

Hup, two, three, four! Hup, two, three, four!

The cheerleaders take a break!

## Cross Country

The Villisca Cross Country team participated in the Abraham Lincoln (Council Bluffs), Red Oak, Clarinda, Creston, Harlan, and Shenandoah invitational meets during the 1976 season. Jim Sand and Jerry Fisher were Villisca's only returning lettermen. First year runners were Dale Albrecht, Russell Bewley and John Strand—all of which earned letters for the season. Competing with the Hawkeye Eight and Council Bluffs schools presented quite a challenge for the Blue Jays but they were dedicated to keep doing their best. A new format of district meets to qualify for the state meet saw a trip to Fort Dodge where Villisca moved up to a larger class and found the state competition much improved over prior years. Jim Sands and Dale Albrecht accomplished a first for Villisca High students as they traveled to Council Bluffs for a 13-mile run at Lake Manawa.

## Tall Corn Champions

This year the Villisca High School Football team had a very good season. Their final record was 7 wins and 1 loss. With this record they tied for the Tall Corn Conference Championship. Also the Jays finished the season ranking No. 10 in Class A in Iowa. For this hard work and tremendous effort, the team members will definitely remember the season. The coaches this year were Head Coach Carl Johnson assisted by Mr. Bob Russell and Mr. Dale Ernster. Their careful planning and help during and before the games led to outstanding victories. This year Villisca was well represented in the Conference Team pickings. The 1st team offense consisted of Joe Williams, Wide Receiver, Rich Northup, Tackle, Bryce Franson, Center, and Chuck Fast, Runningback. 2nd team offense Greg Hear, Runningback. Honorable Mention Terry Westerlund, Quarterback, Marc Stephens, Wide Receiver, and Jeff Brown, Guard. 1st team defense, Mitch Jergenson, Linemen, Chuck Fast and John Schafer Linebackers, and Bryce Sunderman, Deepback. 2nd team defense, Bill Halda and Rich Northup, Linemen. Honorable Mention, Don Marsh, End, Jim Parker and Jeff Brown Linebacker, Joe Williams, Deepback.

## Wrestling

Front Row: Mike Hall—145, Steve Carlson—138, Russell Bewley—132, Jim Sand—126, Dale Albrecht—112, Gary Hardisty—98. Back Row: Coach Bob Lemon, Gary Loutzenhiser—155, Rob Marsh—167, Chuck Fast—185, Bill Halda—Unlimited, Judy Shirley—Mgr. (Not pictured—Assist. Coach Lowry.)

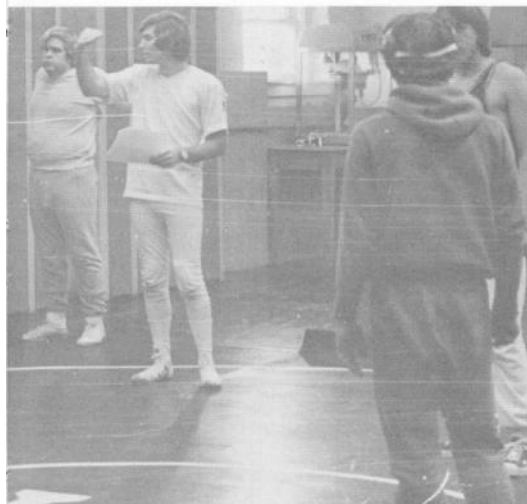

The Villisca wrestlers finished their first year varsity competition with a 2-8 dual record and two third place finishes in eight team tournaments. The Bluejays had given up years of experience to almost all their opponents. In competitions with schools having comparable experience the Bluejays more than hold their own. This year's team was led by seniors Chuck Fast, Jim Sand, and Jim Parker. Chuck Fast had the best performance record of 17 wins followed by Jim Sands and Dale Albrecht each with 11 victories.

Although hampered by lack of depth in most weight classes, the wrestler showed steady improvement throughout the year. With the enthusiasm evident in the nongraduating members of the team the coming years hold much promise.

The Jayettes finished their season with 3-15 record. However, this record does not reflect the effort and enthusiasm put forth by the team. There were many close games but unfortunately the Jayettes fell short of victory.

Janie Gray led the team in scoring and Marcia Schrader was the leading rebounder. Janie was also awarded Honorable Mention All Conference. Nancy Leichty was named to the Second Team All Conference as a guard.

The Jayettes will be losing six seniors at graduation.

Power to the little people!!!

The girls track team had a good season this year. There were many disappointments but there was also a lot of excitement. Like the time at Nishna Valley, when the announcer said that Villisca had won, but latter came back to say, we're sorry, we made a mistake, the trophy goes to Carson-Macedonia. The girls excitement dropped to total grief in just 60 seconds. The Girls broke 8 school records this year: 880 medley relay team; Leslie Harter, Sherri Fast, Sarah Williams, and Diane Jenkins, 2:00.0. Kim Greenfield in the 100 m. hurdles, 16.2. Laura Brock in the softball throw, 195' 6". The 440 relay team; Diane Jenkins, Sarah Williams, Kim Greenfield and Tracy Greenfield, 53.4. The other records broken are shown in the pictures of these two pages.

The 880 relay team consisting of Kim Greenfield, Tracy Greenfield, Diane Jenkins, and Sarah Williams also broke a record running a 1:53.1.

Hmmm.

Mr. Avise's opinions on homework gets various responses.

Sue eagerly awaits Mr. Patterson's home-made sombrero.

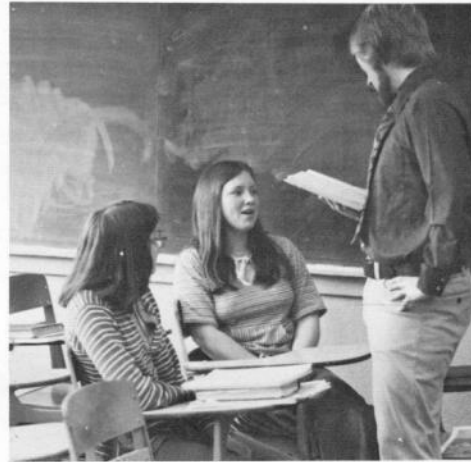

Look at me while I'm talking to you.

Eye contact works both ways.

## Language Arts

Teachers in the Language Arts Department keep busy even when they aren't teaching. Mr. Avise finds time for traveling, writing, and painting. He also spends a lot of his extra time playing with his son, Mike. Mrs. Smith enjoys golf and knitting. She is also interested in dramatics and helps prepare the students for speech contest. Mr. Patterson likes being with his wife and two daughters, Shani and Amber. He likes bowling, traveling, painting, and gardening. He is also interested in training and showing quarter horses.

You're kidding, I can't even speak English.

Mrs. Smith mingles with her students.

## Vocational

Mr. Charles Wilson teaches Industrial Arts. In his spare time he enjoys flying, farming, sports, and reading. Mr. Chris Nelson teaches Voc Ag. His hobbies include baseball, farming, singing, camping, and hiking. Mrs. Sandra Munger teaches Home Economics. In her free time she likes to travel, sew, and read. She also enjoys music.

I never could work when someone was looking over my shoulder.

Are you sure this is going to be a sidewalk?

Camera Shy.

Three down and only 747 to go.

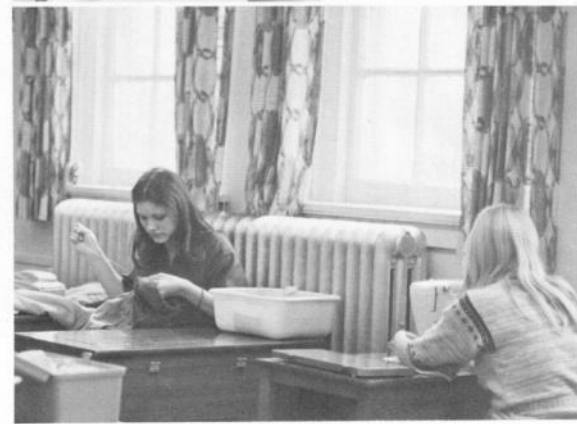

Is this a group project?

Chow time!

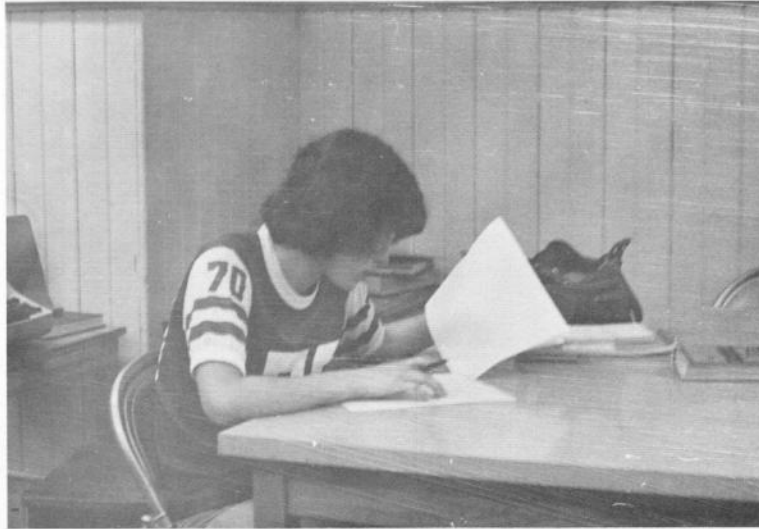

One stitch at a time.

Well, it would help if you would turn the mixer on.

## Business Department

Shelley works hard in shorthand.

Mary receives help from Mr. Barker in business math.

In charge of the Business Department for the 1976-77 school year was Mr. Paul Barker and Mrs. Betty Gourley. Mr. Barker's many classes included personal typing, typing II, secretarial practice, business math, business law, and accounting. Also, Mr. Barker was cross country coach and annual staff advisor. Shorthand and typing I were taught by Mrs. Gourley. All of these classes provide students with personal value and a background for further schooling or employment.

Mrs. Gourley explains the facts of typing to Nancy.

Always start the day with a smile.

But I never did it.

## Physical Education

Mr. Johnson.

The Physical Education Department was headed this year by Mrs. Marilyn Carlson, Mr. Vince Else, and Mr. Carl Johnson.

Mrs. Carlson is a fifth year teacher at V.H.S. and has Jr.-Sr. High Physical Education classes. She also teaches driver's education and is a Y-Teen sponser.

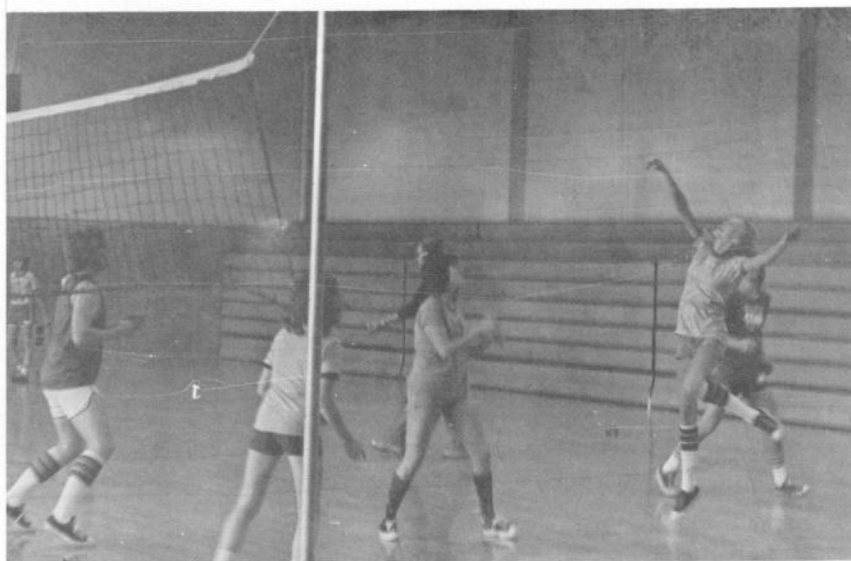

Jr.-Sr. High Physical Education is taught by Mr. Else and the remaining Sr. High classes are taken by Mr. Johnson. Mr. Else also coaches Jr. High Football, Track, and Summer Softball. Mr. Johnson's other classes include molecular biology and enviromental biology. He is also Head Football and Track coach.

Mr. Else.

Girls learn to play raquetball.

Co-ed P.E. plays volleyball.

Trooper Bill Zenor teaches the girls skills in self-defense.

Mrs. Carlson.

Reno Smith Chapter has been very active in our community service program in the last year. Our first major project was working on the front of the Rialto Theatre. Fifty-five of our last year's members worked on this project. The next project was the bandstand in the park, a bicentennial project. Funds for both of these projects were collected through the basketball marathon. In the fall, we handed our free football programs to the public. Fruit sales are our main money making project. A community service as well as a safety project was our can crusher. Our members crushed  $9\frac{1}{2}$  tons of chemical cans.

Our main recreational activity was the Parent-Member banquet to honor all the people in the community who helped us during the past year.

This year Reno-Smith had two Iowa Farmer Awards which were presented to Bill Shipley and Jim Sand at the 49th annual Leadership conference in Des Moines. We also were well represented in state contests. We recieved second gold in BOAC, a silver with Chapter Exhibit, a bronze in our Chapter Program of Work, and Bill Shipley recieved a sheep proficiency.

For our community safety project, we held a car safety check. We checked about 30 to 35 cars. We were helped by the Villisca Police and Trooper Bill Zimmerman.

The outstanding vocal achievement award was presented to Cheryl King for her musical interest, citizenship, attitude, service, and dedication to the vocal department. She was elected by the chorus members.

The Chorus, Swing Choir, and Girls' Glee had a very successful year. Some of the activities that were participated in were Creston Little All-State, IWCC production of the "Messiah", Christmas caroling, and singing for Commencement. Also the entire choir participated in the musical "You're a Good Man Charlie Brown." For the first time in several years, the Girls' Glee decided to try their luck at large group contest. Singing at churches and the nursing home has made this year a huge success.

## Bluejay Band

This year, like all others, was filled with early morning practices, routine workouts, and hard work from every member.

We started our marching season with a I rating at Mt. Ayr, where we showed off our new uniforms. Then we travelled on to Clarinda where we displayed our fine street marching ability, and went on to compete in the evening program, where we were rewarded for our fine efforts with the second place trophy for Class B. We showed off our field marching talents again at State Contest and later at Plattsmouth, and brought home 2 II ratings. We also marched in our Homecoming Parade and at all home football games.

Marty Kernen was our band queen this year. She represented us at Mt. Ayr and at Clarinda. Again this year Jeanna Hampel did a fine job as our drum majorette.

Concert Band spent most of its time preparing for concerts: the Christmas Concert, Winter Concert, Parade of Bands Concert, and the Honors Concert. Somehow we managed to squeeze in Large Group and Small Group Contests. We also played at Commencement.

Stage Band participated in jazz festivals at Creston and East Union. The Annual Jam Session finished off a busy year.

The past nine months the Annual Staff has spent many long hours of their own time in preparing the 1977 BlueJay Annual. It is hoped that what we have done will help preserve the many memories of the past year so that one day we may reflect back on this year and remember.
