Tell us another one.

The girls track team had another fine season this year. They broke three more school records and scored more team points at the meets this year than ever before. The three records the girls claimed were: Mile relay team; Beth Berggren, Diane Jenkins, Ann Shipley, and Sarah Williams, 4:36.0. Distance medley relay team; Tracy Greenfield, Kim Greenfield, Diane Jenkins, and Beth Berggren, 5:00.0. Laura Brock in the softball throw, 197'5". The weather (cold and rainy at most of the meets) didn't stop the girls from doing a fine job.

Ughhh.

It's halftime again.

Another fine start.

Boy's Track

The 1978 Bluejay Track team was improved from last year. Strongest areas were mainly field events and relay teams. Mitch Jergenson was in the Discus, Cecil Stephens in the Pole Vault, and Jeff Moore in the High Jump were consistent point winners. Jeff Moore also broke the school high jump record with a jump of 6'¾". Relay Teams with Rod Focht, Kelly Taylor, Randy Nelson, Lloyd Black, Tom Williams, Marty Schroeder, Bart White and Mitch Jergenson were also point winners especially 440 and Medley Relay Units. The Conference meet in Corning was one of the most successful, with the Bluejays scoring 30 points. Winners were Jeff Moore, and Cecil Stephens, and the 440 Relay Team. "The year was very successful," commented Coach Johnson. "Our biggest problem was the weather which was bad for every meet."

Left: Mitch Jergenson qualified at the Class B District Track meet, to go to the State Meet. His discus throw at District was 135-4.

The past year was indeed a very busy one for the Villisca High School Band. Early in the year, the Band traveled to march at the Mt. Ayr, Band Day, the Clarinda Band Jamboree and the State Marching Competition. The Band also marched at the Nodaway Corn Carnival and also in the Homecoming Parade. The Marching Band displayed their field routines at all home football games. The winter months were also busy, with concerts, and small group rehearsals. During these months the Stage Band attended the Tall Corn Conference Jazz Clinic, and then traveled to the Peru Jazz Festival. Also they played at the Band Mother's Smorgasboard. The spring consisted of marching at the Drake Relays and receiving the 2nd Place award. As time passed the Honors Concert approached and the Band played for the Commencement exercises. The Stage Band finished the year with the Jam Session. The Band was very well represented at the Mt. Ayr and Clarinda Parades by Band Queen Diane Jenkins. There was much hard work and preparation for contests and concerts, and the whole year proved to be busy.

Hard at work.

To the VHS students:

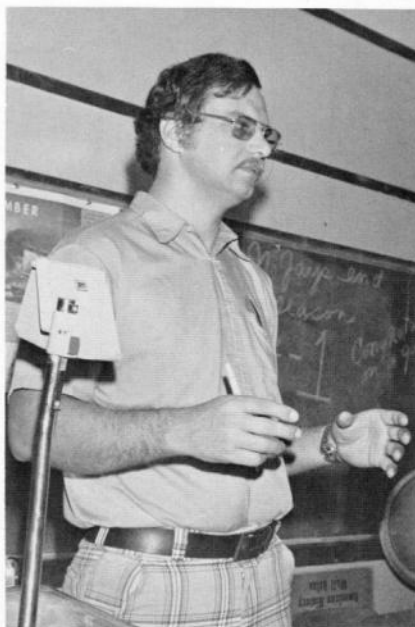

The 1977-78 Bluejay is finally finished. Our work could be compared to an assembly line, taking pictures, typing copy, pasting pictures, and meeting our deadlines. We hope you enjoy each and every page. And some day you may enjoy this memory book to reflect back on, to shed a tear, laugh a little, and cherish some very treasured moments.

The Villisca Review & Stanton Viking wishes to commend the 1977-78 Booster Club for their accomplishments!

This year, the Booster Club really did an outstanding job. The membership was increased from 135 to 216. Hardworking members worked together to provide much support as well as equipment for Bluejay and Jayette sports. Committee members leading the pack this year were: Dick Wright, Joyce Jenkins, Joyce Albrecht, Bob Marsh, and Stan Means. Some of the many accomplishments; Allocation of \$350 for Jr. High Football equipment, chain gang equipment, supplies and repairment of the bleachers at the Football field. The film for home football games and a Homecoming sign to be hung downtown in Villisca were two other fall projects.

During the winter, new basketballs for the boys and girls were purchased, and Jr. High Boy's Basketball uniforms were added. Also money was allocated for the purchase of new High School Boys Basketball uniforms. To encourage the younger students in the athletic program, patches were purchased for those participating in the Elementary Basketball program. Also student coaches were treated to pizza by the club, in their appreciation of the coaching efforts.

The Boys Track uniforms were in bad need of repair and the foam and cross bar needed to be replaced, so funds were drawn up, along with the purchase of two new digital stop watches.

Money was also designated for new Softball equipment. Through the long year, many long hours of work as well as planning took place to widen the athletic program. From reading the above achievements, you can realize just how busy the Booster Club was, and should be saluted and thanked for their outstanding support!
