“Reach for the Stars”

Presenting the 1984 Bluejay
Villisca Community High School
Villisca, Iowa

Dedication

This may be a familiar face to anyone associated with the Villisca Community High School. He's a star in our eyes and adds a sparkle to the whole community. It takes a lot of time and dedication to attend all the activities conducted at VHS. This individual has missed very few activities through the years. He reveals great pride in our school by displaying his spirit and enthusiasm wherever he goes.

With sincere appreciation for his outstanding support to VHS, we dedicate the 1984 Bluejay Annual to Mr. Roland William Gourley.

Although the Bluejays were not as successful as they would have liked with their only win over Lenox, the players never gave up. Injuries along with inexperience made it a rough year, but the heart and desire shown by these young men should make us all proud of our 1983 Villisca Bluejays.

Homecoming '83—A Time for Change

Benji tells Doug how to remove the crown.

Homecoming 1983 was spectacular. Many Homecoming activities were conducted in traditional manners. The windows downtown were decorated by the Pep Club early in the week to show spirit and enthusiasm. The students and faculty at VHS had special dress codes each day of the week. Again, the parade was held at 2:00 p.m. Friday, October 7. The theme of the Homecoming Parade this year was "toiletries." The Student Council did a fine job with organizing the parade. The class of '84 won the float competition for the second consecutive year.

The Bluejays were defeated by the Eagles from East Union in a football challenge beginning at 7:30 p.m. Following the game, was a dance held in the National Guard Armory, sponsored by the Student Council.

The Grand Marshalls for the parade were very special, especially to the

Senior Class. Mrs. Vera Buffon and Mrs. Francis Gray both retired following the teaching of the Class of '84. They will be remembered forever.

Some changes were also made to the Homecoming festivities this year. The Homecoming Queen and King Coronation and Pep Rally were again held on Thursday evening. However, this year it was held at the Football Field. The night opened with a performance by the Drill Team, followed by the introduction of the King and Queen candidates and the Crownbearer, Ben Wood and the Flower girl, Jodi Robinson. King Doug Means and Queen Vonda Fisher were then crowned King and Queen of Homecoming '83. The rest of the evening was filled with activities arranged by the Booster Club and the VHS Cheerleaders. The night was concluded with a Bonfire and the burning of an East Union Eagle.

Guess you had to be there?

B-ball Action

Varsity Squad: From left to right, Manager-Jessie McCuen, Coral Mauderly, Brenda Else, Lisa Gray, Shelby Smith, Mary Stephens, Vonda Fisher, Coach-John Bond, Amy Wright, Brenda Way, Jodi Fulton, Kris Williams, Lisa Rhamy, and Valerie Behrens.

Coach Bond's end-of-the-season report: In Varsity action, the 83-84 Jayette Basketball season was not as glorious as was hoped but a lot of good things happened. The three wins included a big win over highly thought of Bedford and a near victory over perennial power Corning at the end of the season. In all, five additional games were close enough to have won, with a little luck. Perhaps, the opening two overtime loss to rival Stanton would have turned the season around if the Jayettes had won. Mary Stephens was able to earn 2nd team all-conference with her 21 pt. per game average. Amy Wright was Honorable Mention with over 7 rebounds and 3 steals averaged per game. The loss of Mary, Amy, Vonda Fisher, and Brenda Way will

leave "big shoes to fill" in the roster, but the underclassmen will be up to the task.

In Junior Varsity action he reports: Although the team only tasted victory twice, both wins were against Corning. The wins were at the end of the year so the younger girls should be ready to help the Varsity in 84-85. Valerie Behrens and Coral Mauderly carried most of the scoring responsibility, but several girls worked hard to carry the defense. One of the most improved players was Jennifer Burrigh and Angie Ackerman who came back well after her accident. With the eighth graders who are coming up, the team should improve each year for several years to come.

This year's boys' basketball team had, "The best record in several years," stated Coach Steve Wood. The Jays went from a 10-8 record to a 13-7 record this year.

This year, the Jays started off like barn-burners, winning six straight games. Along with the fun of winning their first games, they played well enough to earn the rank of 20th in the state. But this glory didn't last long. The Jays wound up losing a couple of heartbreakers which sent them on a downslide losing four straight games. They fought back though only to lose two out of the last eight regular season games.

This year, there were several players credited with their court play.

Scott Schafer earned 1st team All-Conference, Bernell McKinley earned 2nd team All-Conference, and Danny Kernan earned All-Conference Honorable Mention.

Other honors were given to Scott and Bernell being named All-Southwest Iowa Honorable Mention by the Omaha World Herald and, also, Scott was Honorable Mention All-State.

The boys' golf team did not go to districts, but it was a good season overall. At conference golf in Bedford, Pat Jackson was medalist for the second year in a row with a seven-over-par, 77, for two rounds of golf.

Sectionals at Oakland were a tough fight throughout, but the boys were not to prevail. They finished fourth and were only twelve strokes of from advancing to districts at Panora. Doug Means was low for Villisca with an 80.

Conference golf was held at Bedford this year. The girls were rather hesitant of playing the mud stricken course after a previous meet there. The girls wound up placing fourth with Cherylyn Coltharp low for Villisca with a 138.

To the girls dismay, Sectionals were also held at Bedford. It was a long day as the girls placed 6th. Teresa Bross was low for VHS with a 145.

From left: Pam Williams, Teresa Bross, Sonya Siefering, Lisa Rhamy, Cherylyn Coltharp, and Coach Marsha Bloom.

Hey! What's going on here?

Eleven girls reported out for track this season, but two were lost during the first weeks. Three graduating seniors will be lost. Shelby Smith had the only broken record this year. She set a new mark in the high jump with a jump of 5' 3".

Boy's Track

Jeff Filkins, Roger Skavdahl, Jeff Chapman, Jeff Miller, Brian Vrba, Steve Waymire, Greg Hampel, Brad Sunderman, Doug Means, Joe Everett, Scott Schafer, and Craig McDowell.

Although small in numbers, the Bluejays were able to rack up a lot of points at the meets they attended. Hard work and a will to win helped all the members to improve throughout the season. The highlight of the year was the sending of the 3200 meter relay team of Schafer, Means, Sunderman, and Waymire to the state track meet.

We've been good too, Santa.

The Y-teens were very busy this year. At the start of the new school year they started off with their initiation. This is a lot of fun for the freshman and the upper classmen. Next they collected for UNICEF and this was a great success. Then in November they gave away the Thanksgiving baskets. The Christmas Kiddie party was a great fun also, with Kenny Cozad as Santa Claus. The Sweetheart Dance started off the new year with Vonda Fisher being crowned FFA Sweetheart and Leland Shipley crowned King. The Spring Conference was held in Villisca this year and proved to be a success. The FFA Banquet went over very well with the Y-teens serving again. The last event of the year was the Mother-Daughter Tea. All of the mothers and daughters had a nice time and we know it will be well remembered.

The rest of the ceremony was conducted by previous National Honor Society Members. Music was provided by selected choral and band ensembles. The afternoon was concluded by a tea for the members, speakers, and honored guests.

The 1983-84 Student Council was very active. They tackled the traditional planning of the homecoming parade and dance. In addition, the council planned the pre-Christmas festivities. New ideas were also tried, one of the most successful was the Teacher Appreciation Day. The day began with a breakfast for all the teachers. Then, later in the day, each teacher was replaced for a class period by a council member. All in all, this school year was very prosperous and enjoyable for the Student Council.

VHS Students,

The Annual Staff has collected another year of memories. The members have put in many hours of hard work and have enjoyed some laughs and good times. A big "Thank-you" to all who have helped make the annual a success; the merchants, Mr. Barker, and all the students. Without you, the annual would not be possible. We hope this annual brings back memories for many years, so sit back and remember, shed a tear, laugh a little, and enjoy this 1984 Bluejay Annual while "Reaching for Your Stars."

Sincerely,

Mary Stephens—Editor
Shelby Smith—Co-Editor
