## Dedicated to...

"Duty. Honor. Country." General Douglas MacArthur's 1962 Acceptance Speech for the Sylvanus Thayer Award seem to have been written for Villisca School's Jason Hults. Throughout his college years and teaching career, he has lived these words and shown his dedication through two Tours of Duties in the Middle East. When he joined the United States Army Reserve nineteen years ago, he joined primarily for the educational benefits. What he didn't know is how much he would cherish the comradere, goals, and values of the U.S. Army Reserve's way of life. Mr. Hults is Villisca's High School Science Teacher, Head Football Coach, and Junior High Track Coach. His family includes wife of ten years, Gina, sons Steven, Jacob, and Nicholas, and daughter Kimberly. He serves as Staff Sargent in the 129th Transportation Company (HET) out of New Centry, Kansas. Hults says his favorite part of his job in the Middle East is bringing soldiers home. Coach is known for his "Hults Power" on the football field and his smooth teaching. We thank him for being a wonderful role model for us and for serving our country.
