## Steve Wood

Mr. Wood has been my coach for four years and has pushed teams to the limit. He inspires students to be the best, not only on the field but in the classroom, and then works them to get there. He never stops believing in his team. For three years Mr. Wood has coached our track team to the state track meet. Being one of the first times to run relays at state, we were all nervous and the only thing I could even remember waiting in the blocks was what Mr. Wood told us before every race, and in doing so, placed 4th and 5th. This year has also gotten off to a good start. Just a few days ago our 4X100 team participated in the Drake Relays for the first time. When we first got to Drake, we had absolutely no idea what we were doing. Wandering around, from warm up area to warm up area 'till Mr. Wood gave us direction, But, I know I will never forget the Drake Relays or state track meet just because Wood told us to have fun. So, thank you for coaching us and teaching us to encourage, inspire and challenge one another. And, I know a couple of good athletes that are hoping retirement doesn't mean goodbye, and you will be back to create more memories.

## Gloria Jones

Although I have just moved here and haven't known Mrs. Jones for very long, I can still realize that she inspires people. She has thoroughly encouraged me and many others to extend our "book vocabularies". I can't count the number of times she came up to me, enthused about a new book that she had been reading, telling me that I had to put it on my almost endless list of other books she wanted me to read. It's impossible to name every person that Mrs. Jones has ever helped with a problem or something they were struggling with. She's always there to lend a hand or solve a crisis that needed dealing with. She even extended her caring mother-like nature to people that weren't in her class. I can speak for everyone that has ever gone to the Villisca School District by saying that we will all miss you here. Double Muffles.

Well, we have some excellent shots of Eblen's jersey, but what do you expect? The boys were too focused on bringing home a victory to bother hamming up the cameras. Besides, their faces got a chance to shine in the group pose photo. Although if someone had posed in the middle of a run and got out, it would have made for a good memory! It does seem, the Bluejays were rocking it! The Jays played hard this year and enjoyed themselves. There is nothing like a hot summer night and baseball.

↑ Homecoming was a blast this year. First of all we had a great spirit week with Toy, Wacky, Toga, and 70's & 80's days. Then every class worked hard along with their sponsors to get their float finished for the parade. The afternoon was fabulous for the parade watchers as the entries went by. Some features were the class floats, the fire trucks, and the band.

The day ended on a great note with the Villisca Bluejays defeating the South Page Rebels. After the game the students enjoyed themselves at the annual homecoming dance.

## Danceteam

Dance team had an amazing season this year. Our boys and girls practiced their way through dance after dance untill they had perfected every turn, leap, and spin. Every member of the team was very essential to the success that they had this year. Many would say that they went in with a shimmy and came out with a bang.

# ART

Fine Arts Night at Villisca! Good job Art students!

You have a box of crayons, colored pencils, too  
Get some pretty paper. See what you can do.  
Be yourself. Don't need to draw what you are shown.  
These are tools. They're yours. You're on your own!

The 2011 Corner Conference Art Fair was held at East Mills this year. The Villisca art students came home with 58 awards total. We had 14 First Places, 11 Second Places, 9 Third Places, 24 Honorable Mentions. The art students worked hard preparing for this years art show. With projects like cubism and surrealism students were able to stretch their imagination and create another world for the viewer to enjoy. With our 3-dimensional projects the students were faced with problems they had to overcome and it is different to work in the round. We took the elements and principals of art and applied them in the most interesting and unique ways possible. - Ms. Sukup

The 2011 girls track team did a tremendous job this year. They achieved 2011 Corner Conference Track and Field Champs and also won meets at East Union and Stanton. Along with this success the girls also made it and placed 9th at State with 22 points.

At the state meet the girls placed 2nd in the 4X200 with Courtney Auxier, Sheri Schaaf, Morganne Haer, and Lilly Berggren running a 1:47.57 (new school record); 3rd in the 4X100 with same group running a 51.41 and set a new school record at the Drake Relays with a time of 50.89. The team also had some individuals make it to state. Placing 4th in long jump Courtney Auxier jumped a 17' 2 1/2", and she also placed 6th in the 100 m dash.

There was a lot of talent on this year's team and they worked hard for their accomplishments. The team will miss Courtney Auxier, the lone senior, who brought home nine state medals in her high school career.

The Villisca National Honor Society Chapter enjoyed yet another successful year filled with community-wide blood drives, fundraisers, and numerous other service projects. With eight new members being inducted for the 2010-2011 year, the future is looking bright. It is truly an honor to be among those selected and will inevitably aid in the development of our youth's community involvement while assuming leadership responsibilities. This past year, NHS has collaborated with the American Red Cross in holding five drives, with all having an extremely successful outcome. This May, the chapter will graduate five seniors, who have put forth a great amount of effort in accomplishing their goals. Their presence will be greatly missed, and we thank everyone for their support and donations throughout the year!

This year FFA was very successful. They went to state and then on to nationals thanks to all their hard work. Mikayla Dolch put some extra effort into her job, and got an outstanding score on her Green Hand quiz. Next year we hope to do just as well, if not better, than this year.

The twenty member Villisca High School Choir had many events to keep them busy this year. In addition to the Christmas Concert, Fine Art's Night, and the Honor's Concert Villisca hosted the Corner Conference Vocal Festival in November. Approximately 180 students rehearsed during the afternoon and presented a concert in the evening. Eight students attended the Creston Little All State Festival in January. Those attending were: Kelsey Auten, Lindsey Gregory, Sawyer Johannes, Lilly Berggren, Breanne Gibler, Starla Holmes, Rachel Schut, and Rachel Herzberg.

The sixteen member Show Choir received a II rating at the State Show Choir Contest held on February 9 in Atlantic. Also, State Solo/Ensemble Contest was April 9, hosted at Fremont-Mills. ## See ya next year!

Altogether, this year was a good one. In many ways, it was just like every other year though. When we started, everyone was excited to be back, and be able to see his or her friends again. When spring came along, we were all excited, because of all the new sports offered, and the games we'd get to watch. Then, we were eager to see all of the beautiful prom dresses at walk in. The last few days of school, everyone cried as the seniors said their goodbyes, and walked up to get their diplomas. This year has been one that none of us will forget. For all of you that are still hanging in there with us, have a great summer, and we'll see you next year.
