SENIOR PROPHECY

As we sit here thinking back, all at once a crystal ball sits before our eyes, and we see the Senior Class of 1952, that is as the Class of 1953 sees them in the year of 1975.

First we see the president of the Class, Lowell Davis. Lowell has gone up in life, a long way up. He is about ready to blast his rocket ship off for Mars. Lowell is now a Lt. in the Space Control Cadets. His wife, the former Janis Hendrickson, is always there to see him off on his many journeys into space.

Next we are in a large city at the radio station DMWC. We see the former Miss Mary Lou Walter. She is a hillbilly singer with her husband Don Williams. They are teaching their twelve children to sing so they can have a "Cheaper by the Dozen" show !!!

Our thoughts now fall upon Floyd Ellis as we find him on his farm in the prosperous hills of Hacklebarney, where he lives with his wife, the former Wilma Everett, and their ten boys. Floyd is working hard to bring home the bread--or fish for his family. Yes, there he is down at the fishing hole asleep, while Wilma is out milking "Ol Red" their one and only milk cow.

As we continue on, we see a school house and inside we find Miss Mary Scanlan. Mary is a teacher in the grade school located in the suberbs of Dickieville. We have heard rumors that she has taken her name off the list of the "Merry Maids", and has joined the "Marriage Club".

Now we see something else coming into view. We can't tell positively what it is, but we think it is Marvin Cozad, who has devoted his life to being a sailor. The image now is becoming clearer, and we can now see him on the Island of Oahu with a dozen Hawaiian dancing girls surrounding him. The last letter we received from him said he liked the Navy, and now we can see why.

While down at the Nodaway Hospital we happen to run into Shirley Guss, the head nurse there. She said she gets all kinds of proposals from her male patients, but after six unsuccessful marriages, she has decided to make nursing her career.

CLASS WILL OF '52

We, the graduating class of the year One Thousand Nine Hundred Fifty-Two, of the city of Nodaway, the township of Nodaway, the county of Adams, the state of Iowa, of these United States of America, being of sound and disposing mind and healthy physique, and not acting under duress, menace, fraud, or undue influence of any persons, whose ver, do make, publish and declare this to be our last will and testament.

We, Mary and Shirley, will the editorship of the Cardinal and Annual to Don Narigon and Shirley Pond, along with the understanding that they lose as much sleep over them as we did.

I, Lowell Davis, will all my old girl friends to Jim Barker, to keep him busy in his spare time.

We, Marvin Cozad and Floyd Ellis, will our ablilty to sneak to the furhace room to smoke to David, Clyde, and Clifford, with the understanding they will not leave their butts lying around for the Janitor to sweep up.

I, Lowell Davis, will my medals, stripes, and promotions that Mr. Garrett has given to me for being a good boy, to Clyde Williams.

We, the Senior Class, will our class sponsor, Mr. Garrett, to the members of the Nodaway High School to do with as they see fit, providing they do not take his cigars away from him.

I, Mary Scanlan, will my lunch program to Mr. Garrett, to give to Mary Jo Walter. Here's hoping the books balance for you Mary.

We, the Senior Class, will our high scores in bowling to the Junior Class, in case they have any bowling parties next year. By the way, don't get your fingers caught in any of the holes kids!!!

I, Lowell Davis, will the title, "My Boy," given me by Mr. Garrett, to Cliff Baldwin. Be sure to live up to the title Cliff.

We, the Senior Class, will our ability to swipe the concessions for the ball games to the Juniors, who will more than likely need some extra money in their senior year too.

I, Mary Lou, will my old muddy tennis shoes to Cheryl Angew to use when she goes out for professional track next year. Make good use of them Cheryl.

We, the Seniors, will our Physics books back to Mr. Guthland, and hope he will make better use of them than we did.

I, Mary Scanlan, will my boyfriends to Betty Ross, with the understanding that if she finds a good one, she will return him to me.

We, the Senior Class, will our ability to get along with each other to the Junior Class, as they are going to need it during the trying year ahead.

I, Mary Lou, will my ability to laugh at the wrong time to Shirley Pond, who giggles all the time anyway.

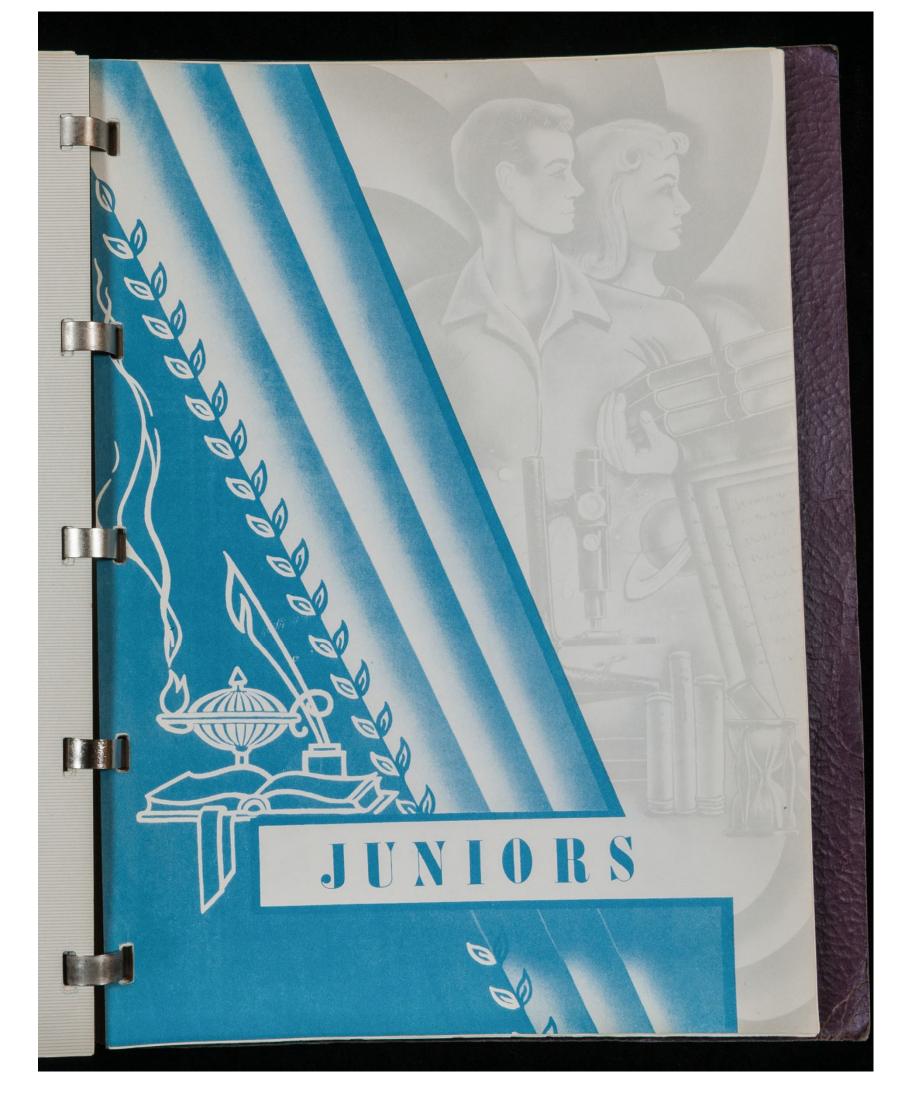

We, Shirley, Mary, Marvin, and Floyd, will our basketball suits to Mr. Mc Clure to do with as he sees fit.

I, Shirley, will my diet to Virginia Garey, along with my will power to stick to it. Take it from me Virginia, you'll need it.

We, Mary and Shirley, will our ability to get caught out of assembly by Mr. Guthland to Ruth and Shirley.

We, Mary Lou and Shirley, will our excess weight to Cheryl Agnew and Mary Jo Walter, as we will be going out into the world and won't need it any longer.

We, the Senior Class, will our seats in assembly to the Junior Class, with the understanding that they will make good use of them.
