NODAWAY, IOWA

Nodaway, Nodaway, Best School in the Land
The first line of the Fight Song.

This publication is dedicated to the 100th Anniversary of the Nodaway Consolidated School. Its purpose is to revive old memories for some and to pose new questions for others. Its staff is composed of those who volunteered and those who were volunteered. They are Chuck & Shirley Bartz, Joan Haley, Deloris Peterson, Marilyn Agnew, Otis Chubick, Jack Shadden, Emma Jean Shipley, Gerald Maxwell, and Carolyn K. Dixon. This book is as factual as our resources would allow it to be, but in no way complete. Ample space is available so that it may be added to by its owner. We hope you will enjoy this Memory Book as we have enjoyed putting it together for you. The staff.

A HISTORY OF NODAWAY SCHOOLS From The Cardinal dated May 24, 1935, Volume II Number 15

The first school in Nodaway opened in the year 1869. A building was erected that year on the present school property near or on the site of the present custodian home. Ten years later the building became inadequate and was sold to the Presbyterian Church for a house of worship. The structure was moved from the site to the South near the present Mrs. Dora Devers home. When it became too small for this purpose it was moved to the business district where it housed a number of business concerns including the village printing office and the office of the towns first garage. It was finally torn down in the fall of 1934. The record of the school elections gives March 19, 1873 as the first held in this independent district. At this election, Marshall Bullock, A.G. Kennon, and Mr. Merrick were elected directors. With the school having been permanently organized, new and increased interest was taken in it. As immigration moved westward and interest in scholarship increased, a new and larger school house was built in 1879. This was a two story frame building and was built at the site of the old building.

Professor Worley was the first principal having sixty-five or seventy pupils and one assistant. The same three rooms were fitted up and with steadily increasing attendance the school made rapid progress. During all this time the home interest in the school was increasing and scholars outside were anxiously seeking admission into what was considered the second best school in the County. About 1885 opposing factions from outside the district succeeded in dividing our territory which contained thirteen sections of land. We were reduced from thirteen to two sections with a scholarship of from sixty-five to seventy. Having now lost our independence, the township board was charitable enough to allow Nodaway one teacher at \$35.00 per month. Accepting the situation however the best instructors possible at the salary were employed. A few of those were Professor Howard of Nebraska, Mrs. Emma Carlisle, A.J. Linn, Howard Russell, Miss Mary Sawyer, Mr. Blick, A.C. Peckham, D.H. Myerhoff and others. In 1891 there were eighty-five pupils in school with one teacher, Mrs. Oscar Starr.

With this increased enrollment the people were naturally inclined to return to independence again. This, after a bitter contest, was affected in 1900, with our district boundary remaining unchanged. A progress continued, the people became dissatisfied with a two-year high school. So in 1905 a four-year high school was organized and was high school department was handled by one teacher, Professor C.V. Frazier.

In 1908 a brick building was erected just South of the present building at the cost of \$4,000. This building was much better fitted to take care of the twelve grades than the former. In 1909 Nodaway graduated its first Senior Class of only two members, Miss Bessie Norcutt (McCoy) and Mr. Wilbert Shipley.

The year 1915 is an outstanding year in the history of our high school as the first two extra-curricular activities were added, boys basketball and declamatory. The growing interest in public speaking and debating suggested to the faculty that there might be talent for orations or dramatic art lying dormant in some of our home boys and girls. So the plans for a mid-winter contest were laid and soon ten eager contestants were in the race for honors. Mrs. Ida C. Robb of Creston was employed to train the contestants. As the students were entirely inexperienced, she found several "backwoods preachers" and others whom many would consider almost hopeless. With a week of careful training, however, Mrs. Robb was able to produce a decided change in the character of the work. Harry Moore won first over all and Gwendoline Gibson was second. The first prize was a \$5.00 gold piece and second was \$2.50.

The first boys basketball team to represent N.H.S. was in 1915. This inexperienced team made a wonderful showing under the conditions. The members of the team were: Myron Taylor, Ned Eastlack, Clyde Willett, Franz Copoland, Fred Wilson and William Gibson.

In 1916 the first girls' team made its appearance with only one of the team ever before participating in the game. The team was developed into one which was able to cope with schools of far its superiority in numbers. The members of the team were: Genevieve Eastlack, Avanelle Gidley, Geraldine Shane, Inez Moser, Vivian Carothers, Ida Devers and Marianne Wilson.

When consolidated school districts became popular, one was agitated for Nodaway. In 1919 five rural districts voted to consolidate with the Nodaway school and the wealth, students and interest of 24 sections were centered in one school. The school opened in the fall of 1919 with Mr. E.E. Kuhn as superintendent and a supporting staff of six teachers. The school building was entirely inadequate to house the increased enrollment and the Vaughn hotel building was purchased for the elementary department.

On June 14, 1921, the consolidated district voted bonds for the erection of a new \$80,000 school building. Work was begun on it almost immediately and in the fall of 1922 school was opened in the building second to none in any district of our size that we know about.

In 1930 increased enrollment was a deciding factor in another change in the school. The eight elementary grades were rather crowded in the second floor rooms and the high school had plenty of room. The eight grade was moved to the third floor and became a part of the high school organization. The following year the seventh grade was also moved to this organization and the school completely organized on a 6-6 plan.

Other recent changes include a complete program of landscaping. In October 1933 the South half of the school yard was reduced to a level playground and athletic field by interested and willing friends and patrons of the school. Over 2,000 yards of dirt were moved, about eighty men worked on the job at different times, as many as 45 head of horses were at work at one time, and within seven days the work was finished entirely without monetary cost to the district. Since then other less important changes have been made in the landscape by moving dirt, trees and shrubs have been put out to add to the appearance of the grounds. Later swings, teeter totters and a large slide were added.

The Old Schoolhouse on the Hill

It's hard to hold the tears back
when I pass along the way,
To see the old schoolhouse
has seen it's better day.

The days when life was humming
when all of us were young
The halls they rang with laughter
our time had just begun.

We were small, but we were mighty
an even dozen, great ones, WE
But that was many years ago
In 1943

There are only half a dozen
who have lived to tell the tale,
That's why we've come to gather
once again to show & tell.

By Justene Martin

Remember when we skipped school
to Villisca on a lark?
I stayed behind because I feared
Dad's temper I would spark.

And beautiful Miss Ebersole
who won my cousin's heart?
Yes, finally she married him
Never more to part.

I thought I'd never leave them
my classmates and my friends,
But Nodaway, like all good things
must reach it's final end.

But in y heart it lingers,
I guess it always will
But life was always happy
In that old schoolhouse on the hill.

YELLOW SCHOOL BUS

I started to school in the fall of 1937. When school started we were riding in one of the old green busses. Sometime that fall we got a new bus and it was "Yellow". Very small I think one side had four seats, the other five seats. Victor Else was our driver. Sometime about fourth or fifty grade we got "Hot Lunch". One of the first schools to have it. By that time Joe McCoy was our bus driver. He milked several cows, so he would bring cans of milk on the bus to school every day for lunch. Imagine this happening today. We always had plenty of milk and orange juice. Sloppy Joes and Chili is the food I remember best. Each grade school room had two grades with one teacher. When we got to eighth grade we got to go up with the High School kids. We thought that was great - but they said "Just another bunch of little kids".

Class plays, basketball games, Junior-Senior Banquet, Senior Skip Day, Junior and Senior color fight night of Senior Skip Day was always interesting. Graduating in the spring of 1950 I was the only one in the class all thirteen years. Also rode all those years in the same "Yellow" school bus.

It was Albert Everitt who took us on botany field trips and chaperoned the class on our weiner and marshmallow roasts. He found a nice spot on the banks of the Nodaway River where he had the boys cut sticks from branches of trees for roasting our weiners. We sang songs as we ate our burned weinies and marshmallows. The teacher kept us busy with activities such as debating, public speaking and sports.

OUR GRADUATES WERE;

WILLIAM GIBSON

William Gibson was born in the county jail in Corning, Iowa. His father was the County Sheriff, his mother cooked for the prisoners. Gibsons had living quarters in a portion of the jail building that the county provided for the sheriffs. Later Gibsons moved to a farm a short distance north of Nodaway.

After graduation, Bill attended Parson College for one year when he received an appointment to West Point Army Academy. He attended West Point one year. He decided to return to Parson College to complete his course and graduated from there. He took a post-graduate course to get his Ph.D. He worked his way thru school.

Bill went to Jackson, Minn. to teach for one year, then was principal at Worthington, Minn. school for one year before going to Estherville, Iowa for five years as principal. After one year, he met and married Helen Lewis of Corning, another teacher at Estherville. They were married in Corning, Iowa. To their union was born two daughters, Virginia and Carol. In 1928, they moved to Waterloo, Iowa where Bill was principal of West High for forty years.

After he retired in 1968, Helen continued teaching for several years. Bill was taken ill with leukemia. After a long illness, he passed away May 3, 1983. He is buried in Corning, Iowa. Helen still lives in their home in Waterloo. I have wondered if any students ever put tacks in Bill's chair.

In 1941, they moved to Fort Madison where her husband, Harve, was a guard at the penitentiary. Avanelle worked at an ammunition plant at Burlington, Iowa which is a short distance from Ft. She had fifteen grandchildren and 10 great grandchildren at the time of her death in 1984. She is buried at Ft. Madison.

Harry Moore stayed around Nodaway, Iowa for two or three years after graduation when he moved to Los Angeles with his parents. Here we lost track of him. The only thing I heard of him afterward was that he was selling automobiles and that he died while still quite young.

We have seen many changes from horse & buggy and bobsled days to walking on the moon. Also, from old-fashioned teaching to competitive studying. That, we are just beginning to develop. What next?

70TH ANNIVERSARY OF THE 1916 GRADUATION CLASS OF NODAWAY.

Our class of twelve started to Nodaway High School in September 1912 as Freshmen under the supervision of Professor Fraser. When we graduated in 1916, the number had dwindled to eight graduates. Of the class, all but Harry Moore & Jessie Narigon have taught school at one time or another.

He attended West Point one year, then decided to return to Parson and complete his education there. He worked his way thru college. In 1923 he married another teacher, Helen Lewis of Corning. They had two daughters. He taught in various schools, but in 1928 he became principal of Waterloo, Iowa West Hi where re remained for 40 years before retiring in 1968. He had the reputation of being a very fair minded and understanding person. Later in life he developed leukemia and died in 1983. He is buried in Corning, Iowa. Mrs. Gibson still lives in their home.

Avanelle Gidley taught school for four years after graduation. She married Harv Garner. They had two sons and four daughters. Eventually they settled at Fr. Where he died in 1960. Later, Inez was seriously injured in an automobile accident. She retired to a retirement home. After 13 years she passed away. Both are buried in Bellevue, Nebr.

Ralph Cramer went to Simpson College where he majored in chemistry. In 1924, he married Geraldine Shane who also graduated from Nodaway High. They had two boys. He pursued his education in 1931 he went to University of Illinois where he did research for the American Railway Engineering Association doing research on rail failure and the cause until he retired in 1963. They moved to Florida and from there traveled to many places including a trip around the world. Now they are living at Shell point Village, Fort Myers, Fla. Ralph has suffered a stroke and is confined to home.

Ruth Windom taught school for two years in one-room country schools before going to Washington, D.C. in September 1918 as a "war worker". In February 1920 she returned to Nodaway to teach a spring and final term of school #9 which she had attended previously. In June 1920 she went to Seattle, Washington to marry John Hayden. After ten years the marriage was dissolved. In the meantime she studied accounting and had a business of her own until she retired in 1983 at the age of 85. She is still living in Seattle.

Harry Moore stayed around Nodaway for two or three years before moving to Los Angeles, CA. where we lost track of him. I got a report from an estranged relative that he is married and was keeping books for his brother, Russell, who was operating an automobile business. Harry was selling some cars also. He died while still a young man.

Jessie Narigon married Virgil Kappel not long after she graduated from High School. Virgil worked for Burlington railroad. CLASS HISTORY

At 9:00 A. M., September 4, 1935, the following little boys and girls started their school life: Kenneth Shipley, Mary Ann Hendrickson, Glen Walter, Kenneth Daugherty, Phyllis Agnew, Rowena Palmer, Kathryn Fidler, Clara Margaret Jackson, Rex Laco, Beverly Windom, Richard Williams, Freddy Nickols, and Edward Gidley. Our teacher was Miss Fredabelle Good.

We all managed to make it through the first grade and start in the second grade the next year. Our teacher was Miss Marybelle Friedmayer, but she got married and left after the first six weeks. Our new teacher was Miss Lola Hayes.

By the time we were ready for the third grade we lost a few and gained a few school-mates. Miss Hayes was our teacher again. The following students answered the roll call: Kenneth Shipley, Harlan Pond, Glen Walter, Phyllis Agnew, Mary Ann Hendrickson, Rowena Palmer, Kathryn Fidler, Clara Margaret Jackson, Beverly Windom, Edward Gidley, and Richard Williams. We didn't have too many exciting things happen to us in our third grade except the time when we played hockey by not coming in from recess and had to stay in too, to make up for it.

In September 1938, we were in the fourth grade and were permitted have recess with the "big kids". Miss Ava Smith was our teacher. We lost Kathryn Fidler and Clara Margaret Jackson, but we also had a new class-mate, Elsie Selby.

Miss Smith was our teacher for the fifth grade, too, but we had a few new class-mates. Those who were in the fifth grade, 1939-1940, were: Elsie Selby, Harlan Pond, Rowena Palmer, Dale Cozad, Donald Scanlan, Richard Williams, Kenneth Shipley, Beverly Windom, Dale Bowman, Glen Walter, Mary Ann Hendrickson, and Billy Thomas. We spent all of our noons and recesses building grass huts and staging wars, during our fourth and fifth grades. Miss Smith made us tear down our huts when Glen Walter got a stick poked in his eye as he was making a quick get-a-way from the enemy.

By 1940 when we were in the sixth grade we thought we were really grown up. Our teacher during the sixth and seventh grades was Miss Helen Grundman. The students who finished the seventh grade and were ready for the eighth were: Thelma Cozad, Harlan Pond, Rowena Palmer, Dale Bowman, Glen Walter, Mary Ann Hendrickson, Donald Scanlan, Kenneth Shipley, Beverly Windom, and Vernon Brees.

On August 28, 1942, we all came upstairs together to begin what you would really call school. Of course we were a little awe-struck at first, but we got used to the change and really began to fit into the high-school

(Class history con't)

activities by the time the school year was over. Our teachers were: Supt. Howard J. Spicknall, Coach Lester Watt, Mrs. R. W. Curry, and Miss Ruth Fairley.

On the 14th of September the following so called "green freshmen", were initiated into high-school: Beulah Haley, Bob Walter, Ed Greenfield, Viles Johnston, Mary Ann Hendrickson, Rowena Palmer, Beverly Windom, Thelma Cozad, Donald Scanlan, Vernon Brees, Harlan Pond, Glen Walter, and Kenneth Shipley. Our upper-classmen set up a stiff set of rules and things for us to do, if we didn't we were really going to get it that night. It wasn't so bad even if we girls had to wear our dad's clothes and the boys had to wear girls dresses and make-up. Our teachers during our freshman year were: Supt. Howard Spicknall, Mrs. Howard Watts, Mrs. Glen Fox, and Coach Lester Watt.

By the time we were sophomores we thought we really knew all there was to know about high school life. Rowena Palmer broke her leg on Oct. 31, and had to quit for the rest of the year. Darwin Miller was a new student in the spring. Supt. H. J. Spicknall, Coach Lester Watt, Mrs. Howard Watts, and Miss Annabelle Stone were our teachers that year.

On September 10, 1945, we started our next to the last year of school. We had a new Supt. that year, J. E. McCoy. The other faculty members were: Coach Lester Watt, Mrs. Edwin Stevenson, and Miss Dorothy Hanlon; Mr. McCoy left the beginning of the second semester, and W. G. Bennett, was our new Supt. We lost Ed Greenfield, Darwin Miller, Harlan Pond, and gained Keith Stenger in the spring. The class officers were: Pres. -- Mary Ann Hendrickson, V. Pres. -- Beverly Windom, and Sec. & Treas. -- Beulah Haley. We gave our Junior Class Play, "Pleased ta Meetcha", on December 20. We had our Junior-Senior banquet on May 3. We were told it was one of the most elaborate banquets ever given in Nodaway High School.

We started our last year of school on September 1, 1946. Of the 13 pupils who started their school life together, only two remain, Mary Ann Hendrickson and Kenneth Shipley. Others who have joined us along the way and will graduate with us are: Thelma Cozad, Bob Walter, Glen Walter, Donald Scanlan, Vernon Brees, Viles Johnston, and Keith Stenger. Our teachers this year are: Supt. W. G. Bennett, Coach Harry Ewing, Lester Watt, Mrs. Otis Westphal, and Rev. Carl Stiefel. Mrs. Elizabeth Bennett and Miss Irene Hood taught the first semester. Class officers are: Pres. -- Viles Johnston, V. Pres. -- Vernon Brees, and Sec. & Treas. -- Keith Stenger. Lester Watt has been one of our teachers from the 8th grade, through our high school years.

During the fourth grade we lost Duane Williams and gained Shirley Guss. Our teacher was Mrs. Dismukes. In the fifth grade we gained Norma Jean Wilcox and Bonnie Thompson. Bonnie was with us for only about a month. The next year we moved into the next room, we were in the sixth grade. Our teacher being, Mrs. Wyatt. We gained Lois and Lola Thompson, Carmelita Larson. We lost Joyce Lynam, and Twyla Laco.

This brings us up to the seventh grade. Our teacher is still Mrs. Wyatt.

We lost Lois and Lola Thompson and Carmelita Larson.

Mary Scanlon and Marjorie Richie are the only two pupils in our class that has been with us all during the school period.

CLASS HISTORY

Rowena Palmer started her school career in Nodaway under the instruction of Miss Fredabelle Good. She will end her school career this May at Nodaway. She was set back one year because of a broken leg and was not able to graduate with her original class. Rowena's favorite teacher was Miss Lola Hayes who taught her during her third year.

Jack Shadden started to school in a little red school house five miles east of Council Bluffs. He moved to Crescent in March the same year where he attended school until his family moved to Nodaway. He was then in the third grade. Since then he has been educated in the factory of learning at Nodaway until the spring of '48'.

Wilma Lynam started her school career in Fairway No. 1, at the age of 6. Her first year of school was under Wanda Cooper. During her third year of school she moved northwest of Nodaway. There she started in the Nodaway Consolidated school under the instruction of Miss Ruth Thompson, who was her favorite teacher. Wilma will end her school career here this May.

Emma Jeanne March attended the Cottonwood School in South Dakota until the spring of 1940, when she moved to Iowa with her parents. Emma Jeanne then started to Pierce No. 3, three miles south of Nodaway and went there until her seventh year when she transferred to Nodaway High. Here she intends to graduate with the Senior Class of 1948.

Wilson Steedley started his school career at the age of 6 years. He attended John B. Winn, Matthews and Palm schools all in Austin Texas. When Wilson was a Sophomore he started to Austin Senior High where he went until March, 1947. He then moved to Nodaway, Iowa and started at Nodaway Consolidated School as a Junior. He will graduate in May, 1948. (He hopes.)

Duane Rhamy started his first year of school in Sept. 1936 at the Hazel Dell schoolhouse northwest of Carbon with Mrs. Buelah Millard as teacher. He attended school there two years. Then he moved south of Corning and attended school at Fairview for four years. Lois Scepter and Claudine Bissel were his teachers there at that time. Then he moved to Ohio for one year where he went to Westhope to a Consolidated school and completed his 7th grade. He took his 8th grade at Villisca Junior High. He started his Freshman year at Corning, the second semester starting to Nodaway and will complete his Senior year at Nodaway with the Class of 1948.

Dale Briggs spent his first 5 years of school career at Nodaway Center. He moved to Spalding, then Findley where he finished his grade school work. He attended his Freshman and Sophomore years at Villisca and since has been attending Nodaway High School.

CLASS HISTORY

On September 4, 1937, thirteen little boys and girls started their school life. They were: Barbara Pond, Deloris Hendrickson, Jean Steadman, Leonard Raymo, Harold De LaMater, Francis Stewart, James Seidler, Colene Shepherd, Deloris Murphy, Luella Patton, Wanda Rhamy, Ardith Fitch, and Donald Nichols. Our teacher was Miss Gruenau. We remember those days very well. We wouldn't have minded having a few more half-pints of fresh milk or coco when we got hungry waiting for the noon hour to roll around this year.

By the time we were ready for the second grade we still had thirteen pupils, however they were not all the original beginners. Francis Stewart, Bonnie Thomas, Bobby Watts, Jean Stalders, Earl Calhoon, and Robert Calhoon were new students, Miss Ruth Thompson (Mrs. Wayne Spencer) was our teacher.

Miss Thompson was our teacher for the third grade also. We lost Jean Stalder, Francis Stewart, and Bonnie Thomas from our class, but we also gained two new classmates, Billy Perkins and Mike Haley. This is the year we worked so hard for perfect spelling lessons to attain small awards.

In September, 1940, we were in the fourth grade, and thought we were quite a bit older in moving to a new room. Our teacher was Miss Ava Smith. We had three new pupils, Joe Baldwin, Wilma Chubick, and Rita Meggison.

We entered the fifth grade with four new pupils; Dean Hunter, Maxine Brees, Eugene Northup, and Junior Cozad. This made our enrollment total fifteen. Miss Smith continued as our teacher in the fifth grade.

In the fall of 1942, we moved to the most advanced room on the grade floor, the seventh and eighth grade. Miss Helen Grundman was our teacher. The students were: Joe Baldwin, Maxine Brees, Wilma Chubick, Junior Cozad, Dean Hunter, Jean Steadman, Deloris Hendrickson, Barbara Pond, Elizabeth Scanlan, Colene Shepherd, James Seidler, Mike Haley, Warren Templeton, and Jim Stalder.

Our teacher for the seventh grade was Miss Thelma Stafford. We lost Colene Shepherd and Wilma Chubick this year and gained Ronald Guss.

By the time we were ready for the eighth grade we thought we were really grown up, for we moved upstairs with the high school. We began to fit into the high school activities by the end of the eighth grade year. Our teachers were Miss Annabelle Stone (Mrs. Elmer Simpson), and Lester Watt. Our Superintendent was H. J. Spicknall.

On the fifteenth day of September in 1945, we were initiated into high school. The "green freshies" were: Jim Stalder, Elizabeth Scanlan, Maxine Brees, Deloris Hendrickson, Barbara Pond, James Seidler, Jean Steadman, Mildred Sweeten, Mike Haley, Ed Freuck, and Franklin Walter.

Mildred joined us from New Market, and Ed and Franklin from Nodaway Number Eight. Our teachers were Miss Dorothy Hanlon, Mrs. Roberta Stevenson, Superintendent John McCoy, and Superintendent William G. Bennett.

Jim Stalder dropped out of our class the year we were Sophomores. Superintendent W. G. Bennett, Coach Harry Ewing, Rev. Carl Stiefel, Mrs. Elizabeth Bennett, Mrs. Otis Westphal, and Miss Irene Hood taught during this year. Class officers for this year were: President, Deloris Hendrickson; Vice-President, Ronald Guss; Secretary and Treasurer, Maxine Brees.

On September 3, 1946, we started our Junior year. We lost James Seidler and gained Louis Bradway from Coburg. Class officers were: President, Ronald Guss; Vice-President, Deloris Hendrickson; Secretary and Treasurer, Maxine Brees. Superintendent W. G. Bennett, Miss Irene Annan, Mrs. Evelyn Bebb, and Coach Floyd Welander, were our teachers. This year was very much enjoyed preparing for the Junior and Senior Banquet, and many more things. We received our class rings this year and all of us were very happy over them.

We started our last year of school on August 29, 1948, with all hopes to graduate together on May 11, 1949. Of the thirteen pupils who started their school life, only two remain to graduate together, they being Barbara Pond and Deloris Hendrickson. We lost two pupils during our Senior year: Jean Steadman and then Jean Lewis who moved to Corning where she will complete her school year. Our class officers are: President, Deloris Hendrickson; Vice-President, Mike Haley; Secretary and Treasurer, Ed Freuck. Superintendent John H. Wetzler, Miss Irene Annan, Coach Earl E. Lowe, and Mrs. Helen Gripp were our final years teachers.

FIFTH AND SIXTH GRADES

Thirteen wee tots started to Nodaway's Pre-Primer class in the year of 1943. Only four of us have remained here through the fifth year. We are John Scanlan, Robert Pond, Shirley Bowman and Phyllis Lane.

CLASS HISTORY

In 1940, Cheryl Agnew, Jimmie Barker, Ruth Crawford, Dale Emmins, Shirley Wilder, Donald Narigon, Shirley Pond and Marjorie Wallace started their school career at Nodaway. The first teacher was Miss McKee.

During our first grade we lost Dale Emmins and Shirley Wildner and gained Clifford Baldwin. Mrs. Ranck was our teacher.

In our second and third grades Miss Stafford was our teacher. In the second grade we gained Elsie McCuen and in the third we gained Mary Jo Walter, Clyde Williams, and David March.

During our fourth grade year our teacher was Miss Molyneux and we gained Jackie Sweeten.

Mrs. Dismukes was our teacher in the fifth grade. We gained three new members. They were: Virginia Garey, Claude Spoonmore, and Austin Core. We also lost Jackie Sweeten and Claude Spoonmore.

In our sixth grade Miss Sullivan was our teacher. We gained Shirley Linker and Paul and Pauline Cork, and lost Jimmie Barker and Shirley Linker Paul and Pauline Cork.

During the seventh grade we moved to a new room and had a new teacher. She was Mrs. Wyatt. In the seventh grade we gained Robert Wildt and lost Austin Core.

Now in our final year of grade school we had the following enrolled: Shirley Pond, Jimmie Barker, Joan Jett, Clyde Williams, Cheryl Agnew, Virginia Garey, David March, Clifford Baldwin, Donald Narigon, Mary Jo Walter, and Elsie McCuen. The teacher was Miss Elizabeth Peterson.

In 1949, ten of us marched to the top floor of the school building to start our high school career. We were joined there by Betty Ross, and Pearl Briggs. After we were initiated we became full-fledged high school students. Later Ruth Ellis joined us and we lost Pearl Briggs. Our teachers were Superintendent John H. Wetzler, Earl Lowe, Mrs. Cripp, and Mrs. Blessie.

The year we were Sophomores we gained Norman Sweet. We also lost him at the end of the year. Our teachers were Superintendent John H. Wetzler, Earl Lowe, Mrs. Cripp and Mrs. Blessie.

During our Junior year we lost Mary Jo Walter and Elsie McCuen. We received our class rings the first of the year and were very proud of them. We started making money for our banquet and Senior Skip Day. This was done through selling concessions at ballgames and our Junior Class Play. The teachers for this year were Supt. Robert Garrett, Mr. Guthland, Mr. Chadwick, Coach McClure, Mr. Moore, and Miss Hall.

Then came the year 1953, our graduation year! We lost Betty Ross the first of the year. Our teachers are Supt. Carl P. Marxer, Mr. Powers, Mr. Kratochvil, Mr. Chadwick, Coach McClure and Miss Hall. The members of the class are as follows: David March, Don Narigon, Shirley Pond, Virginia Garey, Ruth Ellis, Cheryl Agnew, Clyde Williams, Cliff Baldwin, and Jim Barker. Don Narigon, Jim Barker, Shirley Pond, and Cheryl Agnew started their school career together and will also finish together along with the rest of the class on May 22, 1953.

SENIOR CLASS HISTORY

Long ago--in 1944 to be exact--a tribe of very small but very wild Indians banded together and set out upon the warpath Knowledge, for the purpose of conquering an ancient foe, Ignorance. There were no serious conflicts for many moons, but their Big Chiefs told them they were preparing for a long campaign with the united tribes of No-A-Heap School.

So the little warriors trained faithfully many of them accomplishing deeds of valor, while some were snatched away by the Evil Spirit Drop-Out and others were conquered by Chief Move-Out-O'-Town. But the remaining ones grew to be better and harder warriors each day, using more and more war paint and gradually shortening their scalp-locks.

Finally Chief Head-of-the-Bunch Marxer declared them fit to join No-A-Heap High School and with much advice and many poisoned weapons, they went forth to do their best.

Having reached the battle field they chose Chief Just-Married-a-Maid Grist for their medicine man. Their band was now reinforced greatly by many hardy warriors, among whom were Howl-at-the-Moon Vogel, Girl-on-the-Brain Timperley, Make-a-Noise Walter and his cousin Can-Go-Fast Walter, Angel-Face Hamman, Chewin'-the-Rag Briggs and Pepper-on-the-Tongue Devine.

With the aid of these powerful allies, they met and conquered the deadly foe Algebra, but they were almost overcome by Pythagoras in the Battle of the Hypotenuse.

Sometime later, sensing a general lack of interest, Big Chief Smid called a council which they named "Initiation Day." This celebration turned out to be a big war-party at which the Seniors entertained the younger Redskins much to their own embarrassment.

Then having made their work in the tribal sports and musical pow-wow, they rested for the battle for several moons.

When they collected again, later in Indian Summer, they again chose Chief Grist and made a sudden raid on History but the whole Tribe defeated Caesar in the Gaulic Wars.

Sing-a-Song Shocklee joined us. Ghost-in-the-Moon Scanlan joined our camp but decided to leave. About this time Loving-Heart King deserted the tribe for Hit-the-Trail Dumber, and her brother, Monkey-Shine King left to join the U. S. A. Camp. Papoose Hoffman pitched hers in Not-So-Good Villisca. Go-Away Rine pitched his teepee in Missouri and Tear-in-the-Eye McCuen left to look for bigger hunting grounds.

Three moons later they met at Lake of Three Fires to make much whoopee.

Once more they dispersed and roamed over the prairie until they were called together by Heap-Big-Chief Strickfaden. Returning with renewed determination, they donned their whoopee hats, daubed on more war-paint and unanimously chose Hee-Haw Schultz as Chief Medicine Woman.

Here they were joined by Soap-in-the-Throat Bowman but squaws Penwell and Gravett were missing. Several moons later, Make-a-Hit Orme, and Floating-Rock Meredith left to join forces with their Heap-Big Uncle Sam.

During this year the tribe put on a pow-wow called "Mumbo-Jumbo." They also held a Christmas festival dance.

Head-Lock Ridnour, Heap-Much Questions Jenkins, Sing-A-Song Shocklee, and Girl-on-the-Brain Timperley were conquered by Chief-Move-Out-O'-Town not many moons ago.

These festivities being over, Chief Strickfaden called a council and chose nine squaws and six braves to put on a play, "Hillbilly Weddin'" under the direction of Learn-Your-Lines Hooker.

Now that our long campaign is ended, although the band is smaller and stronger than ever, only two of the original tribe remain in No-A-Heap High School: Totem-Pole Barker and Flying Feather Jenkins.

The rest of the Indians who stayed to the end of the campaign are: Knock-in-the-Leg Oihak, Fraid-of-a-Man Carmichael, Heart-Throb Hall, Ache-in-the-Head Weil, Bang-Bang Heard, Soaring-Swan Miller, Make-a-Noise Walter and his cousin, Can-Go-Fast Walter, Chewin'-the-Rag Briggs, Soap-in-the-Throat Bowman, Pepper-on-the-Tongue Devine, Howl-at-the-Moon Vogel and Angel-Face Hamman.

CLASS HISTORY

(Kindergarten through eighth grade)

In September of 1944 when the Nodaway Consolidated School opened, there were only seven little five-and six-year olds starting kindergarten. Two were from the town of Nodaway, Cecil McCuen and Don Orme. The other five came in on the same bus from northwest of Nodaway. These were Louise Jenkins, Patti Sue Andrews, Patty Penwell, Paul Barker, and Larry Neal. Larry left during first grade and Patti Sue during second grade.

Five of the beginning seven have stayed together through these first nine years. Wilma O'Riley was our kindergarten teacher and also through the first and second grades.

In the second half of the first grade we gained our first new pupil. He was Duane Ridnour. He came from New Market where he started school. Duane is very active in sports and was high point for the Jr. High boy's basketball team this year.

Charles Rine also started school in New Market. After leaving there he attended Sunny Slope School of Villisca. He joined us the last part of the first grade.

Connie Gravett came to Iowa clear from Spring Dale, Oregon, where she started school. She attended school there for only seven weeks. After coming to Iowa, she was enrolled at Douglas No. 7 near Carbon. She joined our class the last part of the first grade. Connie played basketball this year. She was also President of the Jr. High this year and a member of the Student Council.

Susan Jenkins started her school life at a little country school near Corning. During her second year of school she transferred to Nodaway. Susan has been a participant in the County Spelling Contest at Corning for the last three years.

Janis Carmichael attended a country school near Emerson until her family moved to the Nodaway community. She was then in the second grade. Janis played basketball this year and was a cheerleader this year and last. She was also a class officer this year.

At the age of five, Merrill Heard began school at Corning. At the beginning of the second grade he attended school at Brooks. While in the third grade he came to Nodaway where he has been since.

Mrs. Pearl Smith was our teacher when we were in the third grade.

Eddie Meredith joined us in the fourth grade when Mrs. Lola Jones was our teacher.

Bill Dumler started to school in a little country school north of Villisca. After attending several other rural schools he started to Nodaway during the fifth grade when Miss Betty Jean Shields was our teacher.

Norma Miller began her school career at Central Park School in Omaha. At the beginning of the third grade she moved to Villisca with her parents where she attended school at the Lincoln building until in the fifth grade when she came to Nodaway.

In 1950 Georgina Clausen entered our class. Before coming to Nodaway, Georgina attended schools near Harlan, Randolph, and Shenandoah.

Harold Hall's school life began at the age of five. He attended Hill Crest country school until he started to Villisca. The second semester of the seventh grade he came to Nodaway.

Shortly after Harold entered our class, Ronald Weil joined us. Ronald attended the following schools before coming to Nodaway: Elliott, Hill Crest, Frog Pond, and McMillan.

Because we were always interested in having our class grow, we welcomed four new students into the eighth grade. They were Bill King, Dorothy King, Lola Cihak, and Donna Hoffman.

Donna has attended Douglas No. 4 north of Nodaway for the last two years but because the school has been closed, she came to Nodaway this year.

Lola has attended Pierce No. 3 for the last four years and Bill and Dorothy have been attending McMillan school. Lola, Dorothy, and Bill came to Nodaway for the eighth grade to get acquainted with their classmates before starting to high school.

So as you see by our class history, our class has tripled since we started in 1944. Four more years will tell how many of us will be on this platform in 1957 for senior commencement.

SENIOR CLASS HISTORY

Long, long ago, 12 years to be exact, 28 cool cats strolled up the steps of dear old N. H. S. These cool cats eager for recognition, worked hard to reach a higher beat within the four-walls of mystery.

In 1954, the cats entered the high school bop. They were led by Tequila Fletcher. The role consisted of I'm scared, Baldwin; Yee gad, Bartz; Shoooot, Knudson; Golly mosses, Scanlan; How about that, Walter; Don't sweat it, Williams; Don't ask me, Wiley; and Shut up, Williams.

Two bowed out of the 'Don't Fence Me In' class to let the rest make a go of it on their own.

Time moved on and so did the cats. Witchdoctor Gruit took over as No. 1 bopster. Tee Hee Sanburn, Boy, Waage and Yea, Boham strolled into our Angel Smile class. Then Gee Whiz, Ridnour decided to leave us and join a more on the ball group.

Much bopping time was lost as we began movin' and groovin' through the Junior year. Do you wanta dance, Hooker; was our guiding light through Hobgoblin House, since we were all Teacher's Pets. She also led us through "Sweethearts On Parade."

For the 12th and last year, we cool cats strolled up the steps of dear old N. H. S. Oh Let The Bells Keep Ringing, Burch; and He's Got The Whole World In His Hands, Strickfaden; led these cats to the end of their campaign and stopping off for One Minute Of Twelve and Starlight Serenade.

The ten remaining bopsters include: Don't ask me, Wiley; Boy, Waage; I'm scared, Baldwin; Shoooot, Knudson; Golly, Mosses, Scanlan; Yee Gad, Bartz; Yea, Boham; Don't Sweat It, Williams; Shut up, Williams, and How about that, Walter.

SENIOR CLASS HISTORY

The fall of 1947 saw 17 eager boys and girls climb the steps of Nodaway High School to begin their school days. They were Richard Lee Core, Marilyn Devine, Joan Guss, June Guss, Eddie Dellinger, Bernadette Scanlan, Joyce Pond, Donnie Willett, Judy Lee Gravett, Patty Kennedy, Karen Hunter, Judy Wallace, Nancy Felt, Melva Ridnour, Arlene McCuen, Clarence Dueling, and Leo Heard. Miss Wilma O'Riley was our teacher.

During our Second Grade we lost Richard Lee Core, Patty Kennedy, Karen Hunter, and Arlene McCuen. We gained Connie O'Riley, Linda Barker, and Nancy Lee Cooney. Mrs. Pearl Smith was our teacher that year.

Our Third Grade we moved to a new room and also had a new teacher, Mrs. Christine Sanford. This year we were joined by Kenneth Bryant and Sherene Davis. Our only loss was Nancy Lee Cooney.

Mrs. Sanford was our teacher again in the Fourth Grade. Our enrollment was increased by two, Regina Ellis and Ray Stowell.

When Mrs. Myrtle Cook was our teacher in the Fifth Grade we gained Dean Barker and Carole Shell, and lost Sherene Davis and Nancy Felt.

Our Sixth year Mrs. Cook was again our teacher and the names of Carolyn Dunn, Carolyn Scott, Carolyn Wirth, Leslie Long, and Bob Hall were added to our enrollment. Kenneth Bryant and Ray Stowell left us this year.

To start our Seventh Grade Sherene Davis joined us again. We also gained Bill Morgan but he left in the middle of the year. Mrs. Fern Best was our teacher.

Mrs. Best was also our eighth grade teacher. Our class was increased by Sandra Strickfaden. Highlights of this year were our Junior High Basketball teams and Athletic Banquet, and also the trip to Omaha for our 7th and 8th Grade Banquet.

In the fall of 1955 we took a great step in our lives and became a part of the High School life. Our enrollment numbered 22. They were Marilyn Devine, Leo Heard, Bernadette Scanlan, Carolyn Dunn, Judy Wallace, Sandra Strickfaden, Melva Ridnour, Bob Hall, Inez Johnson, Linda Barker, Carolyn Wirth, Billy Best, Donnie Willett, Carole Shell, Regina Ellis, Carolyn Scott, Eddie Dellinger, Leslie Long, Sherene Davis, Tom Watt, Joyce Pond, and Harold Agnew.

As Sophomores our class was increased by Dorothy Burrington, but Regina Ellis, Melva Ridnour, Linda Barker, Don Willett, and Leslie Long left us. This left us with a class of 19.

Our Junior year we lost only Carolyn Dunn. We were finally upperclassmen and as a symbol of this we received our Class Rings. Also we were host to the Junior-Senior Banquet and Prom, "Starlite Serenade," and the Junior Class Play, "Black Magic."

The only losses at the beginning of our Senior year were Sandra Strickfaden and Joyce Pond. We now had a total enrollment of 13. Members of the graduating class were Tom Watt, Judy Wallace, Bob Hall, Leo Heard, Bill Best, Carolyn Scott, Dorothy Burrington, Eddie Dellinger, Sherene Davis, Carolyn Wirth, Carole Shell, Bernadette Scanlan, and Harold Agnew. Of these 13, six started their school career at Nodaway High School.

By Janice Swartz

Janice Swartz

I began teaching in Nodaway fall of 1942. Sept. Palmer left Nodaway that year & Howard Spicknall was Sept.

I began in 4th-5th grade room & they had me doing departmental teaching - I went upstairs & taught 8th grade math & 6th-7th grades geography.

The next 3 years I changed to 2nd-3rd grades.

The 4 years I was at Nodaway were anything but normal. It was 4 years of the worst war our country ever knew. My career as teacher began in rural schools for 4 years but with shortage of teachers because of the war we were issued emergency certificates even if we hadn't quite completed 2 yrs. college.

We as teachers were privileged to take a day of school to issue rationing stamps for gas, tires, sugar & all the things the war caused a shortage for. No one minded as we were helping win the war.

Olive (Calyn) Ramek had primary room. She married & followed her husband to Washington & ended her year there. Wilma O'Riley followed her in that room -

Annabelle taught in High School but we all boarded at Rosa Taylor Ormes house until my last 2 years & we all had 2 apts. over Simpson produce station where my uncle Lee Lane & the Harold Jacksons had lived & ran the produce.

I remember you even had a bowling alley at one time in Nodaway - Your town was alive.

When the war was over in '45 and our young people slowly began to return, life took on a more normal mode & we began separating and going our separate ways of life.

I thoroughly enjoyed all my years teaching, have beautiful memories and my families were so nice I can truly say I never had any bad experiences and in those days if I had my families would have been behind me not against me.

I remember how devastated I was the first time I saw our beautiful school building in such a deplorable state but as we age we know nothing stays the same - Just another phase of the life we've been granted to live. All the people I've mentioned are now deceased. Aren't I the privileged one?

This letter was sent to Mary Scanlan Welsch from Kathryn M. Sullivan Loidolt.

Yes, I did teach in Nodaway Consolidated School from September 1946 to May 1947. I had 28 pupils in the Fifth and Sixth Grade for all subjects. There were 11 teachers at that time. My salary was \$1575 for the nine month school year. The Seventh and Eighth Grade teacher, Mrs. Hyatt, from Cornling, I believe was her name, Miss Fellows, Third and Fourth Grade teacher, and I lived in an apartment above the chicken and grain building on Main Street in Nodaway from Sunday evening till Friday afternoon.

William G. Bennett was the superintendent and Wilma O'Riley was the First and Second Grade teacher in 1946-47 school year. My contract was offered but I wanted to go to a bigger school. I went to Perry, Iowa, for 3 years, returned to ISTC CEDAR FALLS, IOWA. After I received my BA in Education I taught 3 months in Eagle Grove, Iowa; journeyed to Roseville, California for one year because I was too young to be accepted by the US Dept. of Defense to go overseas to teach in the Military Dependent Schools. In 1952 I went to Sendai American School in Sendai, Japan, 300 miles north of Tokyo for 2 years; in 1954 I transferred to Germany for 7 years; met my husband from Minnesota in Heidelberg, Germany; transferred to Asmara, E Africa for 1 year; transferred to Seoul, Korea for one year and to Sagamiara American School, outside of Tokyo for 3 years. Our son was born in the U S Military Hospital. It was time to return to the U S. after 14 years Overseas in 1966. We settled in Indianapolis, Indiana, where I also taught for 7 years. I stopped teaching and worked for Indiana Bell Phone Company where there was no discipline problems.

My year at Nodaway helped me to adjust to the many people I met in the future years around the World. Thank you for hiring me. I had had only 2 years of experience in teaching in a one room school in Adams County, Mercer #8. It was 4 miles from my home and I rode a horse 8 miles a day. Teaching in Nodaway was much easier.

I do not have any memos because at 83 years old I've been cleaning things out before I cancel out of this world.

Thank you, Kathryn M. (Sullivan) Loidolt mkloldolt@sbcglobal.net 317-545-5704
